Gov. Smylie Will Run for Fourth Term in Office

BOISE (AP)—Gov. Robert E. Smylie announced today he is a candidate for re-election to a fourth term and will campaign on the two issues regarded by some as his most serious handicaps—his longevity in office and his backing of the sales tax. "There is no logic in the argument that the people of Idaho should substitute untried and inexperienced applicants for the most important administrative job in the state," Smylie said in a statement. "The governorship requires the proved leadership that only a successful incumbent can provide."

Smylie, a Republican nearing the end of his third four-year term, said he will "aggressively support the new revenue programs enacted by the 35th Legislature and the effective programs that the sales tax makes possible in education, in conservation, health and public welfare."

"I can do more for Idaho people in the governorship," Smylie added, "than I could by being anywhere else."

"The exciting challenges in government service in the next decade will be found in making our state and local governments more effective, more responsive to the needs of the people and more self-reliant. This is the only way that the freedom-deceiving thrust of centralized federal power can be stemmed."

Smylie, 51, is a native of Iowa but has lived in Idaho since he came to this state to attend the College of Idaho, from which he was graduated. He obtained his law degree at George Washington University in Washington, D.C.

He spent four years in the Coast Guard during World War II and in 1947 was appointed assistant Idaho attorney general. He was appointed attorney general later in the year to fill a vacancy, then was elected to a full term in 1950.

He was elected governor in 1954 and was re-elected in 1958 and 1962.

By the end of his present term he will have served as governor 12 years, twice as long as anyone else. He is now the nation's senior governor, in length of service.

Smylie has three announced candidates for the Republican nomination, State Sen. Don Samuelson of Sandpoint, former state budget director, Don J. Walker of Boise and businessman Charles Miller of Coeur d'Alene.

Plan to Sell Hailey City Hall Okayed

HAILEY—Hailey city councilmen were going ahead Wednesday with plans to sell the present city hall to the Wood River Mercantile Co., after voters overwhelmingly approved the plan in an advisory ballot Tuesday.

Of the 435 ballots cast, 398 were in favor of the plan, 37 against. Mayor George R. Allen said the Mercantile firm plans to purchase buildings in the entire city block where the old city hall is located.

Businesses in the block include the Marinello Beauty Shop, Brooks Barber Shop, Idaho Power Co. building and Motor Mercantile Co.

Officials of the Wood River Mercantile Co., which is a grocery store, plan to house the beauty shop and barber shop in the new building, which is expected to be constructed this summer.

Mayor Allen said the city plans to build a facility to house the city offices and a library, space for which is presently being rented. Location for the city office building is facing River Street.

The Mercantile firm's new building is to contain about 19,000 square feet and 50 feet of off-street parking space is planned.

The Hailey City Hall has been located in the same building since the city began more than 75 years ago, the mayor said.

He noted that when some objections were raised as to the council's plans to sell the old building, councilmen decided to call for an advisory vote on the project.

Plans were also revealed to build a storage space for the city's two fire trucks and a grader and a plow. Presently there is space for only one of the fire trucks.

Number 300

SAN FRANCISCO (AP)—The California Highway Patrol has listed the 300th suicide from Golden Gate Bridge but acknowledges its official figures may not be large enough.

Since the span was opened May 27, 1937, the patrol has listed 105 other possible suicides, saying that clothing, notes and automobiles have been found on the bridge in cases where bodies were not recovered.

Another 244 attempted jumps have been prevented, either by persuasion or by forcible restraint.

Listed as the 300th death was Michael Detata, 20, a San Francisco bank clerk who plunged from the bridge Monday.

Negotiations Continue for Right-of-Way

Negotiations for six parcels of farmland along the proposed route of U.S. Highway 50 connecting Hansen Bridge and Red Cap Corner still are under way, states Ernest L. Betts, Shoshone Highway District right-of-way agent.

Betts said the progress of the negotiations is "encouraging."

He said one of the six involved was about settled and that two more were nearing that stage.

Betts said if agreements are not reached with all six owners, then condemnation suits will be filed.

The six parcels of land contain 27.7 acres, consisting of a 150-foot right-of-way—enough for a future four-lane highway—angling southwest from the Hansen Bridge until it reaches the east-west county road one mile north of Highway 30, and traveling west along the county road to Red Cap Corner where it connects with Highway 30.

Property owners involved along the route, starting at the bridge, are C. W. Coiner and Sons, owners of a 2,100-foot strip; F. J. Frahm, 2,300-foot strip; C. W. Coiner and Gladys Long, 3,900-foot strip; Elsie Krueger, 1,340-foot strip; J. H. Smith, Allan Humphreys and David L. Carter, owners of a 700-foot strip, and Arthur W. Walter, 1,320-foot strip.

Betts said the average land value in the general area of the properties involved is about \$300.

Faber Tway, Boise, Department of Highways chief counsel, said Wednesday morning that the condemnation suits against the six property owners had not been sent to his office for filing in district court. He said they would be filed as soon as he received them.

Vandalism at Silver City Is Investigated

BOISE (AP)—Bureau of Reclamation authorities said today they are investigating reports of vandalism at the ghost mining town of Silver City in the Owyhee Mountains.

The reports said the vandalism resulted from a visit to the community by enrollees of the Marsing Job Corps Center.

The director of the center, Cleve Bolingbroke, said nine enrollees made an overnight trip to the Silver-City area over the weekend.

Minidoka Beet Growers Ask for Price Hearing

RUPERT—Minidoka County Beet Growers Association directors said Wednesday they have refused the latest offer of the Amalgamated Sugar Co. for a contract for the 1966 crop and the matter has been referred to the individual growers.

Clyde Greenwell, president of the county group, said at a meeting Tuesday afternoon at the Ponderosa Inn, directors decided that because time had run out, individual growers must be released to decide for themselves if they wish to negotiate individual contracts.

HE SAID UNCLE! A Viet Nam Day Committee demonstrator is forced to the ground by a Berkeley, Calif., policeman, when a VDC demonstration erupted into a club-swinging melee Tuesday night. A riot threatened when police moved in on an apartment in downtown Berkeley and attempted to seize loudspeakers they said were used without a permit. Police Lt. Bruce Baker said some demonstrators were hurt and at least one hospitalized. He said six arrests were made on charges including assault on police, resisting arrest and interfering with police. Strategic Mu Gia Pass Sealed In B-52 Raid on North Viet Nam

(See Picture on Page 15)

SAIGON, South Viet Nam (AP)—The U.S. Air Force reported today that the first B52 raid on North Viet Nam set off huge landslides which sealed the strategic Mu Gia Pass through which the Communists funnel men and supplies to the Viet Cong in South Viet Nam. The report of the B52 success came on the heels of a Viet Cong mortar attack early today on Saigon's huge military and civilian airport which killed seven U.S. servicemen and a Vietnamese civilian, wounded 108 American military men, one American civilian and 19 Vietnamese, destroyed four planes and set a 400,000-gallon fuel tank ablaze.

The airport attack demonstrated once more the power of the Viet Cong to strike at will in the Saigon area with harassing tactics. But operations at the huge installation were not disrupted.

The fleet of high-level B52s from Guam dropped nearly 1.4 million pounds of explosives Tuesday on the tortuous mountain pass on the Laotian border, 230 miles south of Hanoi, through which men and arms feed into the Ho Chi Minh Trail.

It was probably the heaviest bomb load of the war.

An Air Force spokesman said aerial reconnaissance showed the pass was "definitely closed by huge landslides touched off by the thunderous explosions."

As the air war against the north continued today, a U.S. Navy Skyraider jet from the carrier Ticonderoga was knocked down by an antiaircraft missile 33 miles south of Vinh.

The pilot was listed as missing. No missiles were sent up against the B52s Tuesday, the spokesman said.

The mortar attack failed to disrupt operations at Tan Son Nhut airport, nerve center of allied air operations and one of the busiest airfields in the world.

The mortars destroyed two U.S. C123 transport planes and two Vietnamese C47 cargo planes and damaged several helicopters, an F100 Super Sabre jet fighter and one of the two four-engine Constellation bombers as relay stations for the U.S.-Vietnamese television system.

Other planes were saved by newly built concrete barriers.

Two Cabinet Members Quit In Greece

ATHENS, Greece (AP)—Greece's sixth-month-old government was left badly shaken today following the resignations of two Cabinet members. But Premier Stephanos Stephanopoulos said he was confident it would survive.

Within 24 hours Stephanopoulos saw his foreign and social welfare ministers quit in a bitter dispute over the government's Cyprus policy, and his slim parliamentary majority swept away.

After a conference with King Constantine Tuesday night the premier said he felt sure the government would win a confidence vote in Parliament if opposition forces asked for one.

Parliament is scheduled to convene April 19. Stephanopoulos' three-party coalition held a majority of three seats in the 300-member House before the crisis erupted over who would control Cyprus' national guard.

Demonstration on War Policy Erupts Into Violent Riot

BERKELEY, Calif. (AP)—A Viet Nam Day Committee demonstration against U.S. policy in Southeast Asia erupted into a cursing, fist-and-club-swinging melee Tuesday night with police pitted against a tense, angry crowd. Police Lt. Bruce Baker said some demonstrators were hurt and at least one hospitalized. He said six arrests were made on charges including assault on police, resisting arrest and interfering with police.

A riot threatened when police moved in on a Telegraph Avenue apartment and attempted to seize loudspeakers they said were used without a permit. VDC headquarters moved there after the old one was mysteriously bombed last week.

A crowd of about 3,000 persons gathered at the building in a rally to support demonstrations in South Viet Nam. Demonstrators hung an effigy of President Johnson.

VDC leaders strung a banner across an apartment building that read: "Withdraw U.S. troops."

Officers tried to enter the building from which an amplifier was used. Demonstrators started throwing punches at police showing through. Police used riot sticks. After about five minutes police got into the building and confiscated the equipment.

After the Telegraph Avenue ruckus demonstrators marched 10 blocks to the Berkeley City Hall for a rally.

Some demonstrators tried to enter the building to attend a City Council meeting then in session. About 30 Berkeley police barred their way and prevented all but officials and newsmen from going in. Baker said the VDC had been offered the chance to send a committee to the council but had refused.

Another police-demonstrator scuffle started after 10 p.m. when the rally, at which VDC leaders spoke from a sound truck, started breaking up.

Berkeley for some time has been a center for unrest against U.S. policy in South Viet Nam. The VDC, which has some fulltime personnel and often uses the 27,500-student University of California Berkeley campus as a forum, sponsored massive marches against U.S. policy last year, including unsuccessful tries at marching on the Oakland Army Base to air their views.

Harvey Yonker, UMW director at Johnstown, Pa., said: "We're telling the men that it is our very honest desire and urgent request that they return to work immediately."

Yonker said some locals have given indication of early compliance with the back-to-work directive, "but others are angry and in no mood to work without a contract."

One western Pennsylvania mine owner said he is not going to enter into negotiations as long as the strike continues. Another threatened court action.

The walkout, which started early Monday and spread to eight states, is the most widespread and largest work stoppage in the soft coal fields in 15 years.

Nationalist Chinese Student Pauses Here on 3-Year World Bicycle Tour

Lack of money is no problem for an energetic Chinese student longing for foreign travel, if Liu Ming Ts'ai is any example.

Liu Ming Ts'ai, who calls himself Abraham because of admiration for Abraham Lincoln, and because it's an easier name for the American tongue, stopped over briefly in Twin Falls Tuesday during a bicycle and bus tour which has taken him throughout most of the Far East, Hawaii, Panama Canal Zone and a sizable portion of the United States.

Abraham got out of college in Formosa in August, 1964, packed his belongings in a couple of bags, picked up his camera and took off on his bicycle on a trip he estimates will take about three years to complete.

Abraham, who is now 30, was separated from his parents in China when he was 13. He joined the Nationalist Army and withdrew with the army to Formosa when the Communists took control.

In 1957 he was discharged as a corporal after eight years of service. Wanting to better himself, and realizing his lack of education, he studied on his own until able to pass a high school equivalency test permitting him to enter Chengchi University in Taipei.

Still fearful of his ability, he undertook a major in Chinese literature, but soon was persuaded by his instructors to transfer to political science.

Thus, comes about Abraham's interest in traveling—so he can get a better view of governmental organizations, government buildings, leaders and historical landmarks.

He carries with him a book of stamps from all the nations he has visited. When Abraham arrives in town he goes to the local post office and has a stamp canceled in his book as a memento of his visit.

Abraham apparently ran into a little trouble with authorities, who thought it too dangerous for him to ride his bicycle on the highway, in one of the states, so when he arrived in Twin Falls it was by bus.

He left Twin Falls Tuesday night for Salt Lake City, then on to Chicago, New York and finally Europe, where he will continue to enrich his political education.

He expressed satisfaction with the scenic beauty of Idaho and said if he ever got a chance he'd like to come back.

He said he hoped to find work on a ship to pay his way to Europe, where he will spend about a year and a half before he goes back to Formosa.

GETTING STAMPS POSTMARKED in each town he visits is the means Liu Ming Ts'ai, Formosa, employs to keep a record of the cities and countries he visits. Ts'ai left Formosa a year and one-half ago and said he plans to ride a bicycle around the world within three years. The stamps shown in the photo are some Ts'ai picked up while cycling through Japan. Train Hits Car, Driver Hurt Slightly

HANSEN—A Twin Falls man was taken to Magic Valley Memorial Hospital after a car he was driving collided with a Union Pacific train at 7:23 p.m. Tuesday at the Rock Creek Road railroad crossing at Hansen.

Twin Falls County Sheriff's officers said Melvin W. Dennis, 23, 1719 Eldridge Ave., Twin Falls, was driving his vehicle north on Rock Creek Road when an eastbound train, Union Pacific No. 50, struck his vehicle.

Officers said Dennis apparently saw the train just before impact, because he turned his vehicle sharply in the same direction the train was traveling. Had he not done this, officers said, the train probably would have rolled his vehicle under it.

The train hit the vehicle a glancing blow and knocked it away from the track. Police said the vehicle stopped between the main line and a spur line 80 feet from the point of impact.

The train crew, T. W. Miller, conductor, G. M. Paradis, fireman; W. R. Rufenacht, engineer, and B. M. Smith, all Porterville, said they saw the vehicle approaching the crossing from the south. They said Dennis' vehicle was traveling at a slow rate of speed and they all thought he was going to stop.

Another person who saw the wreck, Tiny Mothershead, Hansen, said he heard the train whistle blowing longer than usual. Officers said Dennis apparently did not see the train until a fraction of a second before the locomotive hit his vehicle.

Dennis was treated for slight injuries, then was released from the hospital.

No citation was issued.

Burglary of T. F. Store Reported

The Farm and City Store, 663 Main Ave. E., was broken into sometime between dark Tuesday and dawn Wednesday and \$215 in cash and merchandise was taken, police report.

Police said the burglars got into an open courtyard in back of the building, then broke out a glass-type trap door and climbed through the hole.

Police said the burglars then went to the office, removed a cash register drawn from a filing cabinet and took \$125. Three transistor radios and two tachometers, valued at \$90, were removed in the theft.

Investigation is continuing.

Barometer: 30.35.

SYNOPSIS AND AGRICULTURAL

Clear skies are the rule over the valleys of southern Idaho today. High pressure both at the surface and aloft has followed in quickity behind the cold frontal passage of yesterday. This storm has now moved into the Central Plains States and has weakened considerably. The quick return of high pressure has quieted the winds and wind speeds should remain light the next couple of days.

Fair weather with no precipitation is forecast through Thursday. High pressure will persist during this time and allow for great amounts of sunshine. Warmer air moving into the Intermountain Region on Thursday will bring rising temperatures. A Pacific storm front is approaching the Northwest coast and is expected to move into these valleys later on Friday, but with the storm center remaining to the north shower activity will be scattered and rather light.

Maximum temperatures today will range from the mid 50s to the mid 60s. Warming on Thursday will move maximum readings into the 60s to low 70s. Temperatures tonight will be cool again with some readings lowering to below freezing again. Protection to fruit trees will probably be necessary in scattered areas.

FIVE-DAY FORECAST

Low pressure in the Gulf of Alaska will develop southwestward in the eastern Pacific bringing in storms farther from the coast. Somewhat higher pressure aloft will persist along the West Coast causing the storms' centers to remain to the north of these valleys as the fronts moved into the Pacific Northwest. Temperatures over the valleys of southern Idaho Thursday through Monday will average from two to nine degrees above normal. Some warming is indicated for Thursday and again during the weekend. Coolest nighttime temperatures will occur tonight and Thursday night, causing some frost protection to be necessary to fruit trees. Some normal maximum and minimum temperatures for this period are Gooding 62-35, Twin Falls 65-35 and Burley 62-32.

A storm frontal passage in these valleys the end of the week will bring some shower activity later on Friday and into Saturday. The northernmost valleys are again favored to receive the greater amounts of precipitation. Total amounts of precipitation will range from .05 to .15 of an inch or rain.

More favorable weather will favor spraying and fertilizing operations, but stronger winds and showers Friday and Saturday will delay these operations. Field work and planting should be able to resume in most areas. The use of irrigation water in some of the dry areas little affected by the recent rains will need to be continued for germination and growth of crops.

Death Takes Rupert Man At Age 85

RUPERT—Henry A. Rasmussen, 85, died Wednesday morning at Minidoka Memorial Hospital of a short illness.

He had a stroke about two weeks ago while in Mesa, Ariz., and was brought to Rupert Monday.

He was born March 8, 1881, at Mt. Pleasant, Utah, and married Effie Robertson Feb. 15, 1908, at Evanston, Wyo. Their marriage later was solemnized in the Logan LDS Temple.

They came to the Rupert area in 1925 and Mr. Rasmussen farmed for about 40 years, retiring two years ago. He served a short-term mission in Texas for the LDS Church, belonged to the High Priest Quorum, having served as quorum president. He was a member of the High Council for many years and served as one of the presidents of the Council of Seventies for many years.

The past two winters Mr. Rasmussen had been doing temple work in Arizona. He was active in the Minidoka County Farm Bureau.

His wife died July 25, 1964, at Rupert. Survivors include one son, Henry B. Rasmussen, Baldwin Park, Calif.; one daughter, Mrs. Wayne (Ruth) Sunderland, Rupert; four sisters, Mrs. Maurine Brewer, Mrs. Vernie Christensen, and Mrs. Carrie Palmer, all Salt Lake City, and Mrs. Nellie Hunter, Los Angeles; one brother, George Rasmussen, Salt Lake City, and 10 grandchildren. Funeral services will be conducted in the Minidoka Stake LDS Tabernacle by Bishop Glen O. McBride, with the time to be announced. Final rites will be held in the Rupert Cemetery.

South Africa Kidnapers Get \$196,000

PRETORIA, South Africa (AP)—A Johannesburg millionaire has paid a ransom of \$196,000 to a gang of kidnapers for the 21-month-old son of the national police commissioner said today.

The commissioner, Gen. Johannes Kevy, declined for the present to disclose the name of the family involved.

Brig. H. Van Den Bergh, chief of the police security branch, told a news conference that the case was unprecedented in South Africa's history.

He compared it with the Lindbergh kidnapping in the United States—the difference that the Lindbergh baby was murdered.

The kidnapping was carried out in Johannesburg early March 30 apparently by three white men in a car, police said. They said several persons had been arrested and charged with the kidnapping.

The child was returned unharmed April 3 but the woman had what police described as light facial injuries and was hysterical.

Van Den Bergh said the millionaire, his family and the kidnapers were all South Africans.

Bids Asked On Highway Jobs in Area

The Idaho Department of Highways reports that bids will be taken April 19 for the paint of four bridges—the Rock Creek bridge in Twin Falls, the Salmon River bridge south of Challis, the Wood River bridge south of Ketchum and the Salmon River bridge south of Stanley.

Work of these bridges is to be completed on or before Aug. 15. Bids also will be taken on May 3 for the construction of six 12- to 16-foot concrete culverts in the Castleford vicinity.

These culverts will be for Salmon Falls Creek and five canals, with work to be completed on or before April 1, 1967.

Apron Displayed For 4-H Members

Mrs. Kenneth W. Marshall, leader of the Handy Helpers 4-H Club, displayed an apron the girls will make as part of their project when members met at her home Tuesday afternoon.

Girls are to select a yard of cotton fabric suitable for making an apron. Members examined 3 cotton ball and planted seeds from it as part of their study of cotton fiber.

Each member is to bake a cake from a mix and Mrs. Marshall discussed the importance of following directions. Carolyn McKinney served cookies which she had baked.

Country Cousins 4-H Club Meets

"How to Make Salt Clay" was the title of the demonstration Barbie Burkhardt presented at the Country Cousins 4-H Club meeting April 12.

Marian Reinke, Jeannie Burkhardt and Karen Stocker baked nut and fruit breads, which the other members judged.

The next meeting will be held April 26 at the home of Kathy McCandless.

Youth Held For Trial in Morals Case

David K. Thompson, charged with lewd conduct with a minor child under 16 years of age, was bound over to District Court for trial after a preliminary hearing in Probate Court Wednesday.

Thompson was charged after a father brought his 13-year-old daughter to the police station last month and reported she had been molested.

The girl told police a man had forced her into Rock Creek Canyon at knife point and there had taken indecent liberties with her. Later the same evening a father called police and said he heard screaming near the canyon. Police came to investigate and caught Thompson fleeing down the alley.

Thompson, 18, was under the age of 21 at the time of the alleged crime and Judge Zoe Ann Shaul decided to have him tried as an adult in District Court after hearing a report from State Hospital South. If convicted of the charge Thompson could get a life term in the penitentiary.

Thompson is in county jail, with bond set at \$10,000.

Those attending the meeting will be responsible for projecting information to voters in their geographical areas through club meetings, mass meetings, personal contact, mailing lists and use of newspapers, television and radio.

At the meeting were William Grange and Gordon Cox, both Twin Falls; V. E. (Vic) Camozzi, Rev. John Garbrandt, Dr. Charles Parker and Mac Ambrose, all Jerome; John Hepworth, Buhl; Robert Moldenhauer, Filer; Cecil Stanger, Hansen, and Herbert Thorne, Murtaugh.

Others on the committee who did not attend the Tuesday night meeting are David Chadwick, Hollister; John Storrs, Filer; R. D. McKinney, Kimberly; Roland Patrick, Castleford, and Al Hall, Jerome.

This central committee will also be responsible for drafting other workers. All are scheduled to attend an in-service workshop at 8 p.m. Thursday at the college's vocational-technical building on Kimberly Road.

Dr. Taylor said although the meeting is primarily a workshop, interested parties are welcome to attend.

Scouts Take Part in LDS Racer Derby

Members of Boy Scout Pack 74 Monday evening participated in a pinewood derby at the LDS Sixth Ward Stakehouse.

David Marsh took first place honors in the speed competition with Tom Christensen and Michael Child taking second and third respectively. In the construction competition Don Swenson placed first with David Marsh and Greg Bigler as runner-up.

Following the derby, awards committeeman Al Larsen presented awards to the following: Dixie Phillips, Alice Crane, Sharon Swenson, Sue Child and Vivian Lewis, all den mother pins; Steve Brawley, Neal Campbell and David Marsh, one-year pins; Craig Day, bear badge; Ted Benoit, wolf badge; Alan Crane and Mark Phillips, silver arrows, and Martel Morrison, one gold and two silver arrows. Ralph Reese received the tenderfoot pin.

Boy Scouts from the Order of the Arrow assisted with the derby.

LAVERNE BERNARD
... son of Mr. and Mrs. Raymond Bernard, Shoshone, who received a \$2,000 fellowship in support of work toward a doctoral degree in bacteriology.

VENTURA, Calif. (AP)—Veteran movie actor Joel McCrea, 60, filed suit Tuesday for divorce from his wife of 32 years, former actress Frances Dee, 59.

Youth From Shoshone Gets Award

SHOSHONE — Laverne Bernard, son of Mr. and Mrs. Raymond Bernard, Shoshone, has received a National Defense Educational Act Fellowship for support of work toward a doctoral degree in bacteriology, according to his parents.

Notification came to Mr. and Mrs. Bernard from Dr. Alfred F. Borg, head of the Department of Bacteriology at Kansas State University, Manhattan, Kansas, where young Bernard is a senior.

The fellowship is for \$2,000 per year plus tuition, books, stipend for summer school and dependency allowances, for a three year period.

Bernard was on the dean's list for the fall semester with a grade point of 3.818.

He is a member of the Society of Sigma Xi—a National Research Society; the Phi Kappa Phi, a National Honor Society, and is president of the Kansas State Bacteriology Club, which was recently formed.

He is doing research work

with J. Ronald Miner, who is now working on his Ph.D., under Dr. L. R. Finca. The paper co-authored by Bernard and Miner will be presented at Purdue University at Purdue Industrial Waste Conference in early May.

Bernard was graduated from Shoshone High School with the class of 1962, having been student body president.

He attended Colorado State University at Fort Collins, Colo., one year before going to Kansas State.

Escaped

PHILADELPHIA (AP) — Driver Edward Richardson and Patrolman Charles Schemm thought it was a joke.

As they were driving their patrol wagon in Philadelphia, a car pulled alongside and the driver yelled: "You're losing your prisoners."

With 26 prisoners in the back of the police van, the pair decided to stop and look, just in case.

In the van were 24 prisoners and a high hole in the window of the door.

The two escapees were quickly recaptured.

Second Auto Firm Calls Back Cars

DETROIT (AP) — Chrysler Corp. has become the second automobile manufacturer to recall some of its new cars to correct an engineering problem, but the firm denies charges the problem made the cars unsafe.

Chrysler announced Tuesday it was calling in 17,500 Dodge Monaco and Polara models, all equipped with 383 cubic-inch engines and two-barrel carburetors, plus an unknown number of —Furies— and —Chryslers—

equipped with the same power plant. Chrysler said the cars were being called in to lengthen the throttle linkage. Chrysler said the adjustment was to prevent the linkage from being stretched by a forward jolt of the engine in an emergency stop.

"This problem did not involve any safety factors," said a Chrysler spokesman.

In Washington Sen. Walter F. Mondale, D-Minn., disagreed.

Members of his staff quoted a Dodge Division service manager as saying the shorter linkage might require heavier braking pressure and might result in longer stopping distances.

Mondale said both dealers and owners should have been warned that a safety factor was involved.

Two weeks ago, Chevrolet Division of General Motors Corp. recalled more than a million late-model Chevelles and

Situation Normal

The Twin Falls school board will spend nearly \$3 million for the 1966-67 school year and no one cares. The annual budget hearing followed the pattern that has existed for years—the only persons who attended were school administrators and trustees. It's sad but true that taxpayers and school patrons take no interest in finances of public schools. So far as interest is concerned, little interest is shown in any phase of public schools until some sort of incident, something like a student's feelings being hurt. Then some parents are ready to choose up sides and fight it out.

The community's public schools are big and important from nearly any viewpoint. The expenditure of \$3 million in a year is important. Education of the community's children is important. And from the standpoint of numbers involved, scarcely anything else in the community can approach the public school system. Yet the only time the public shows any interest is when an athletic event comes along, for example.

"It's quite probable that attendance at one basketball game would exceed public participation in all budget hearings and all trustee elections of the local school district for the last 20 years. Or even longer.

In the absence of evidence to the contrary, the general apathy about the district's business and the persons who conduct it has to be interpreted as complete confidence in trustees and administrators. Even so, trustees should welcome an occasional spark of interest, either at a budget hearing or a trustee election. They can be forgiven for qualms about continuing to function under a "mandate" from the handful of voters who customarily bother to participate in trustee elections.

DEFENSE RELAXED

A few years ago, Civil Defense was a prime topic of conversation. More to the point, a good many citizens were extremely interested in such aspects of Civil Defense as fallout shelters. Some residents of Magic Valley constructed fallout shelters for their families. It would be interesting to know how many of those shelters are prepared for immediate use today or if they have stocks of food and water.

For some reason, Civil Defense efforts were relaxed. Today, it's uncommon to hear anyone mention any phase of Civil Defense, including the personal fallout shelters. Perhaps there is less danger of such facilities being needed today, although there are more nuclear weapons than ever before ready to be used. Certainly if a nuclear attack were to be launched now, the fallout toll would be vastly greater than four years ago when individuals were building fallout shelters.

It might be time to pay more attention to all Civil Defense. It'll be too late if facilities are ever needed.

MORE INTERESTING

In spite of all the statistics linking cigarette smoking to lung cancer and all the warnings about cigarettes, more cigarettes than ever are being sold in the U.S. Since January, federal law has required warnings to be printed on all cigarette packages. It reads: "Caution: Cigarette smoking may be hazardous to your health." Public reaction to the warning has been positive—more cigarettes than ever are being sold! It might be concluded that the health warning has added a little more interest to smoking, a sort of daredevil touch.

Actually, several years might be needed to determine if anyone is going to pay much attention to statistics proving that cigarette smoking is hazardous to health. Established smokers have shown remarkable lack of interest in discontinuing the habit. Possibly they reason that the damage has been done already or it could be that veteran smokers have decided they are willing to face whatever risk is involved because they derive a certain amount of pleasure from smoking.

Eventual impact of the health warning on cigarette smoking might not be obvious until a new generation reaches the age where most are exposed to the smoking habit. If educational efforts are effective, consumption of cigarettes will decline eventually. If individuals are more interested in whatever pleasure they derive from smoking, they will ignore warnings and cigarette use will continue high or even increase as population increases. It will be interesting to note if the new generations are more interested in safeguarding their health where possible or indulging in fleeting pleasure.

Human nature being what it is, no one should count too strongly on vast numbers of persons paying much attention to the warning.

NATIONAL WHIRLIGIG

By ANDREW TULLY
WASHINGTON—Belatedly, it seems suddenly to have occurred to the State Department that Uncle Sam can lose his political shirt over the issue of admission of Communist China to the United Nations. Someone has discovered that a clutch of little nations with only 10 percent of the world's population might well decide to admit Peking, whether Peking wants in or not. At least, there seems to be an awareness of this preposterous situation in the words of Assistant Secretary of State Joseph Sisco, who committed a recent speech deposing that the U.S. would not stand still for any attempt to decide by a majority vote U.N. decisions which the rules say require a two-thirds vote.

ILLEGAL VOTE—Sisco's speech was tardy acknowledgement that the State Department had taken cognizance of what happened when the General Assembly last fall overturned the two-thirds vote rule on two minor African issues. As UN Ambassador Arthur Goldberg declared, that action was "null and void," but it nevertheless happened.

The charter says a two-thirds vote is necessary to seat Red China in place of Nationalist Formosa. State Department sources say they don't expect the small nations to try to overturn that rule when the Peking matter comes up again, but they may be whistling in the graveyard. Supporters of Chinese admission have gained strength every year and, with the Viet Nam war still boiling, this may be the year they decide to go illegal and get the dirty job done.

CHARTER IGNORED OFTEN—Moreover, in taking such action the small-action majority would be setting no precedent. The U.N. last year violated the charter by refusing to deprive the Soviet Union and 12 other nations of rights for failure to pay their U.N. dues—a violation in which the U.S. cravenly joined. Additionally, the U.S. announced that in the future it will reserve the right NOT to make any future payments, a stand which would make its position just as illegal as Russia's.

What has happened, of course, is the inevitable—the small nations have become too equal to make a realistic operation of the U.N. possible. Theoretically, a bloc of small nations contributing altogether only five per cent of the assessed budget could form a majority which would recommend a course of action for which the larger nations, such as the U.S., would bear the responsibility and financial burden. Something of the sort happens every year, when the little guys band together under the one-nation-one-vote principle and adopt social welfare budgets the big powers oppose as extravagant.

U.S. POLICY STIFFENING—It was the African bloc which last year in effect decided the defaulting nations would not be penalized for welching on their debts. It served notice that it would vote against any such punitive action, and when the head count was finished, President Johnson decided there was nothing for the U.S. to do but surrender. In the U.N. it is not fashionable to stand up for principle.

Sisco's statement of official policy therefore is significant in that it indicates a stiffening of U.S. policy. He went on to emphasize the need for recognizing "the realities of power and responsibility," which is diplomatic language for reminding these jokers that the countries with nuclear weapons and dough reserve the right to run the show.

Meanwhile Ambassador Goldberg has warned that as the main financial supporter of U.N. programs, Uncle Sam will insist on "rigorous standards" of performance. But please don't hang by your thumbs waiting for that happy day.

RUN-AWAY NYLONS
Chemistry did a great thing for women when it gave them nylons, sheerer and stronger than silk. World War II experience with cotton and rayon substitutes made wearers appreciate nylon all the more.

But you can't expect chemistry made history to have no faults at all. The girls working the City Hall at Jacksonville, Fla. were made embarrassed by their one day recently. Suddenly, without warning, their stockings began to run—four, five runs (or ladders, as the British would say) to a leg.

The Jacksonville stenographers rushed out to buy replacements, causing a run on the stocking counters.

What mysterious force caused this phenomenon? There was a simple explanation. What chemistry does, it can undo. Nylon, made from acids, is resistant to many things but not to sulfuric acid. And particles of that chemical were found in fumes of an industrial oil blown in from a nearby plant. The same effect had been observed about 20 years ago before, in this spot when weather conditions were the same.

All this indicates one thing to us: Modern chemistry and Cinderella's fairy godmother have something in common. With a swish the good fairy provided elegant attire for a raggedy miss but caused it to disappear when the clock struck twelve. Chemistry rarely indulges in such whimsical acts. So if once in 20 years it plays havoc with girls' stockings, we cannot be too hard on it. —Christian Science Monitor.

VOTING MUST BE FREE
The U. S. Supreme Court's nullification of Virginia's poll tax appears to be the death knell to any fee for voting.

Federal courts have ruled similarly on poll taxes in Alabama and Texas. The high court's decision in the Virginia case makes moot the issue raised by the 1965 Voting Rights Act's provision for test suits against poll taxes — existing only in Mississippi and Vermont.

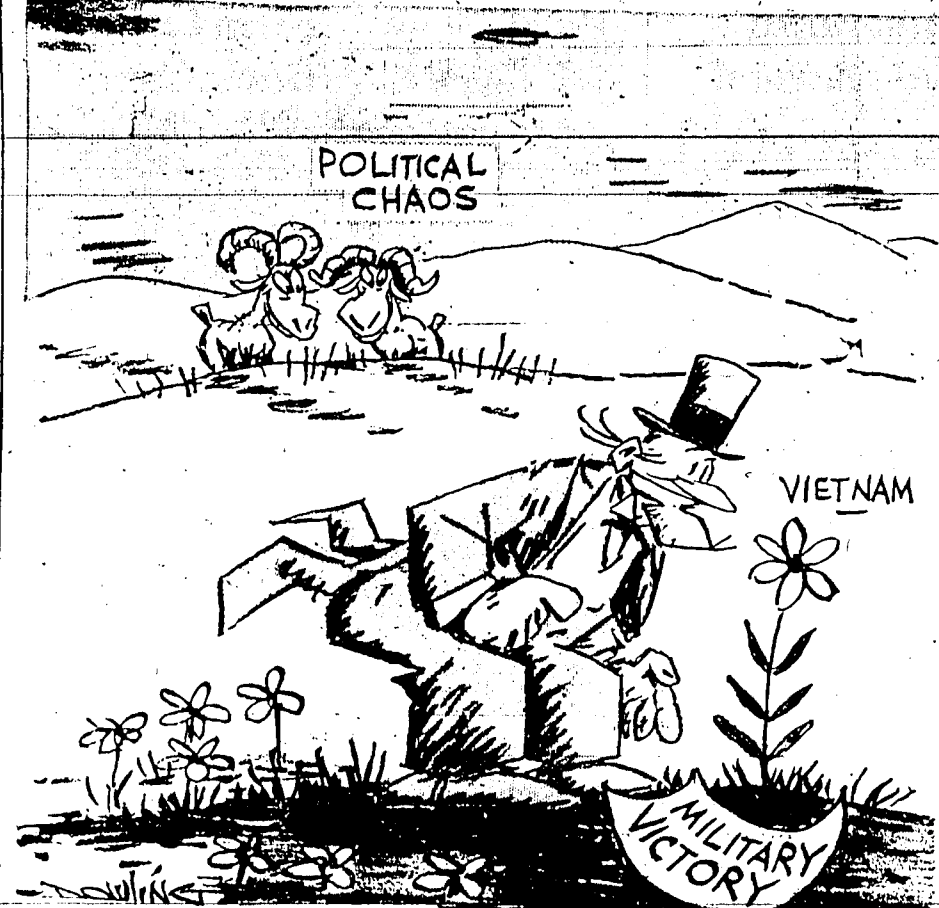

"A state violates the equal protection clause of the 14th Amendment whenever it makes the affluence of the voter or payment of any fee an electoral standard," said Justice William Douglas last for the court. The question occurs: Is property ownership a test of "affluence" as "an electoral standard?"

Justice Douglas added, however: "Wealth or fee paying has, in our view, no relation to voting qualifications," thus, by implication, approving tests with such relation, such as Oregon's literacy test.

Voters should certainly be required to have some minimum qualifications having to do with their ability to participate reasonably in self-government, so long as these qualifications are used in no way to discriminate against any person because of color, race, creed, sex, or (the Supreme Court gave this official standing in the Virginia case) economic condition. — The Oregonian.

GENTLEMAN IN THE FOURTH ROW

The Doctor Says

By WAYNE G. BRANDSTADT, M. D.

In the early years of this century a cook named Mary Mallon, following an attack of typhoid, became an immune carrier of the disease. She changed her location every year or two but everywhere she went the people she came in contact with got typhoid.

When, after some patient sleuthing, the health authorities proved that she was the cause of so many cases she was confined in a hospital involuntarily for a while. On her release she was warned never to work again as a food handler. She changed her name and from then on led the authorities a merry dance.

That is the story of "Typhoid Mary" who brought the problem of the carrier so forcibly to the attention of those interested in preventing the spread of communicable diseases.

Some carriers, like Mary, have a full-blown attack while others have such a mild case that it passes unnoticed and therefore undiagnosed. In either event the germ and the human host establish a state of peaceful coexistence. This is the answer to the question: "Where does measles (or any other infectious disease) go between epidemics?"

Disease carriers have been classified as shedding and silent types. Typhoid Mary belonged to the first group.

A year ago, President Johnson made his Baltimore offer of unconditional discussions for peace in Viet Nam. Almost simultaneously the Communists laid down their all-or-nothing terms. Developments this week may have made the prospect of a negotiated peace more distant than ever.

The Communists cannot see a prospect of producing against the Americans a military Dien Bien Phu such as the victory which ended French rule. But perhaps they now see a bright prospect for a political Dien Bien Phu.

Rioting in South Viet Nam probably has done incalculable damage to whatever slim hopes there might have been for an approach to the Communist North.

These demonstrations, threatening the military committee government in Saigon, could persuade the Communist side the Reds can win the war on the political front.

The Communists over the past decade have infiltrated virtually every organization and element in South Viet Nam, so they undoubtedly have influence among the mobs and the Buddhists who have inspired the demonstrations.

Last year, just after President Johnson spoke, Nguyen Huu Tho, chairman of the National Liberation Front which is the Viet Cong's political organization, announced that the war in the South was entering "a new phase, a decisive phase, the phase of the most difficult and acute struggle."

"New conditions" were developing, said the Hanoi press, and it was time to "cleverly associate the use of armed and political forces," there would be two forms of struggle—armed struggle by guerrillas in the countryside and "political up-

risings by the city people."

This would "attack the enemy's rear, shake and weaken him and prevent him from leading a calm life in a safe rear, prevent him from using his whole strength."

To this, a North Vietnamese strategist, Maj. Gen. Hoang Van Thai, added in the journal Hoc Tap that an effort should be made in South Viet Nam to make the U.S. rear "permanently unstable politically."

The propaganda appeals were directed specifically to intellectuals, do, it is certain the Communists will get control for the South Vietnamese among themselves couldn't stand them off.

Johnson can't be sure he knows how to deal with the Buddhists or how they think, for they don't think like Americans. For the Americans, to be asked to leave, after the billions of U.S. dollars spent there and the many U.S. lives lost there, such a request would in effect be an American defeat and an American embarrassment without parallel.

Johnson would have a hard time living it down. It undoubtedly would be used against him if he ran for re-election in 1968. And it might cause desperate damage to the Democrats in this year's congressional elections.

In short, it was a way of life with him and his big advantage was that he understood the American mind.

And even with Viet Nam, despite some intense criticism and demonstrations at home, he had broad public support for the administration's policy of using U.S. money and troops and planes to keep the Viet Cong from taking over South Viet Nam.

That was going well, too, and, further, he was backing the military government headed by Premier Nguyen Cao Ky. There didn't seem to be a cloud in the sky. Then the sky fell in, pulled down by the Buddhists.

They have a different kind of mind, unfamiliar to Johnson, and bit by bit, by marches, riots, protests, and denunciations they began to topple the government headed by Ky.

The Johnson administration's aim was said to be the survival of the military regime, with or without Ky. But as time passed the whole military leadership seemed in danger of being thrown out.

No matter what it did or tried to do behind the scenes, in public the administration tried to put on the appearance of great calm, even detachment, with one State Department official saying: "Our feeling is that the solution to the political problems in Viet Nam is something for the Vietnamese themselves to work out."

But if the North Vietnamese Communists have worked out a deal with the South Vietnamese Buddhists to destroy the present government and make way for the Communists, this is more than just a political squabble between some Vietnamese in the south.

If the Buddhists get control, whether or not they turn the government over to the Communists at once, they may ask the Americans to leave. And, if they

TAYLOR'S VIEWS ON WORLD NEWS

By HENRY J. TAYLOR

Politicians rely on the public's short memory. Fool them this November. Remember tax day —April 15. What's wrong with having some faith in things and teaching them a lesson?

You'll be working 14 days before they ask for your votes again. As the average wage earner you'll be working two hours 19 minutes every working day. You'll be paying your taxes—federal, state, local.

As this column has stated before, if you quit at 5 p.m. you've been working since 2:41 to pay your taxes. If you start at 9 a.m. you could have filled in the morning — every morning — doing nothing until 11:19 and then begin to work, except for your taxes.

When you talk about the high cost of living you're talking mostly about taxes — \$851 a year for every man, woman and child in the United States. Nothing compares with their bite out of your workday. No expense for

balls, students and young people in general. It is the young people who have been pouring into the streets to riot.

If there have been brief signs of weakening in the North in recent months, these are likely to vanish now. The Communists again are stonily inflexible behind the four-point stand laid down to the North's National Assembly a year ago.

Those terms were withdrawal of all U.S. troops and material and an end to acts of war against the North; pending reunification, a ban on any alliance by either side with a foreign power; settlement in South Viet Nam "in accordance with the program" of the Liberation Front, which simply meant on Communist terms; and reunification without foreign interference.

Unless these demands were met in advance, the Communists announced, "all negotiations are useless."

The journal Hoc Tap now says: "The four-point stand of our government is not to be bargained or taken in part. One cannot recognize this point, and reject another, in this four-point single entity."

The Senate investigators discovered that 23 federal agencies now have direct access to our citizens' tax returns for an official total of 109 different reasons.

So many agencies invade this basic right of privacy on behalf of Big Brother and for reasons so general that it makes a mockery of that supposed right. Our private affairs are laid open to the politicians and bureaucrats alike who can then proceed to perform as they like. That's what is happening behind the scenes, but do our citizens know it?

The responsibility of good citizenship is clear. This responsibility demands that you pay your taxes honestly and fully on April 15, right down to the last penny, and then follow Senator Long's advice. For if we ever reach the point where the citizens fear the tax collector too much, and keep quiet or cave in for that reason, we'd better give the country back to the Indians. It's our country, after all, you know. It doesn't belong entirely to the insiders and the spenders.

UNUSUAL PLAY IS LEAD CUE

Oswald starts out today's discussion by asking Jim: "What would you say is the most important thing to hear in mind when you use suit preference signals?"

Jim: "That the signal is a sort of junior partner of your regular signals. Almost all of the time the lead of a deuce merely means that you are leading fourth best, not making some mystic call for partner to play clubs later on, or when you drop a ten spot it does not mean that you are showing strength in spades but merely that you have strength in the suit of the ten spot."

Oswald: "Could you put it this way? A play will only constitute a suit preference signal when there is no other reason for it."

Minico Names Most Valuable Students

RUPERT—The Rupert Elks lodge has named John Taro and Carol Hanchett as the most valuable students in Minico High School, it was reported Wednesday.

Glen Allen, Elks youth activities chairman, was in charge of the fourth annual contest, which was judged by Robert Balch, Larry Duff, Robert Reed and Robert Adams.

Taro is the son of Mrs. Jeanne Taro and Miss Hanchett is the daughter of Mr. and Mrs. Aurel Hanchett. Runners-up were Mark Ebersole and Jane Fricke.

The winners will receive a \$50 bond each, and the runners-up will receive \$25 bonds. The winners will be entered in state competition to compete for a \$500 scholarship. The state winner then competes on a national level for a \$2,500 scholarship.

Pete Taylor, counselor at Minico High School, assisted students in preparing their required brochures for the contest sponsored by the Elks.

Scientist Speculates on Antigravity

LOS ANGELES (AP)—Folks who dote on flying saucers—and believe the unidentified objects hurry around the sky using antigravity—may have something, in theory, says a scientist who doesn't believe in flying saucers.

"If there are flying saucers, which I doubt, and if they are manned by living beings, which I also doubt," said Dr. Robert L. Forward, "then the only force that could explain the movements of the saucers would be antigravity."

By antigravity, scientists mean that a flying body would have its own gravitational field and be immune to the earth's gravitational pull. Thus people, or anything else inside a flying saucer, could travel safely without being subject to enormous stress, inside the saucer's field.

"Without antigravity," Dr. Forward said, "the beings inside the saucers would be crushed—if the saucers accelerate and turn as reports indicate."

Dr. Forward, a member of the technical staff at the Hughes Aircraft Co. research division at nearby Malibu, said, however, that practical use of antigravity seems to be a long way off—perhaps centuries.

ENTERS CLINIC

ROME (AP)—Elizabeth Taylor entered a Rome clinic today. One report said she would undergo minor surgery, another that she would have a checkup before starting work on her new film, "The Taming of the Shrew."

"World Wheat" Process Will Be Tested in Hong Kong

NEW YORK (AP)—A new process which developers say could make wheat palatable to Asia's rice-eating millions—and thus be a partial answer to famine—will be tested in a pilot project beginning this week in Hong Kong.

Wheat kernels are peeled by a lye process, that makes them look like rice and cook like rice. The purpose of the project is to see whether Asians decide that it tastes like rice.

One of the biggest roadblocks to easing world famine, experts say, is that some people would rather die than change their eating habits.

Millions of the rice-eating people in India's Kerala State live on the verge of starvation rather than eat the wheat flowing into their country. Rinting mobs shouted at police: "Give us rice or shoot us!"

Breaking down "food prejudices" is necessary so that people can be fed the food that is available, says Melvin B. Myers, director of the material

resources program of the Church World Service, sponsors of the pilot project.

Many millions of other Asians besides the Keralites are rice eaters and have been reluctant to use wheat, he said in an interview today.

"At one time the children of Hong Kong and Japan couldn't stand milk. They didn't know what it was," said Myers. "Now they drink it all the time."

"Suppose the United States was suddenly faced with a famine. Do you think the people would eat grubs or ants or drink blood before they would starve? Yet, these are the staples of some people."

On her recent visit to the United States, Indian Prime Minister Indira Gandhi said: "People facing famine can still make it a principle not to eat wheat when they are used to eating rice."

The United States is sending 3.5 million tons of wheat to India to combat the drought-caused famine there.

To make wheat more acceptable to the rice-eating Keralites, the U.S. Department of Agriculture has come up with the new process to make a rice-like grain from regular wheat, called "World Wheat."

2 Bodies Are Brought Back From Sea

NEW YORK (AP)—Battered by a violent Atlantic storm, the Italian liner Michelangelo steamed toward New York today with an American and a German passenger dead and 11 persons injured.

Five men were lost from a British freighter 600 miles off Newfoundland in the same storm.

"We were hit by a wave about 33 feet tall," Capt. Giuseppe Saletti, master of the 44,000-ton queen of Italy's passenger fleet said in a radiotelephone interview Tuesday night. "A fierce wind of about 70 knots was blowing."

He said he was on the bridge when the wave struck about 10:20 a.m. Tuesday. The ship had run into the storm during the night and had been gradually changing course in an attempt to evade its full fury, he reported.

The Italian Line, the Italian government company which owns the vessel, said the dead were J. Steinbach, 58, a Chicago insurance executive, and Werner Berndt of Hamburg, Germany. The company said they died of head injuries.

Berndt's wife was among the injured.

Capt. Saletti said Steinbach and Berndt were in their first-class cabins when the giant wave struck.

In Chicago, friends of Steinbach said he had been on a business trip in Europe and they had heard from him several days ago from Germany. A native of Chicago, he was a widower and had three children, they said.

The company said four passengers and seven crewmen suffered bruises but were not in serious condition. In addition to Mrs. Berndt, the injured passengers were identified as Joseph Badger, Silvia Borini and Fritz Glauner. Their nationalities were not given.

The injured crewmen included First Officer Claudio Cosulich, second in command of the ship, which made its maiden voyage to New York last May.

The liner suffered "appreciable damage" to the quarterdeck in the storm, the company said.

The Michelangelo left Genoa, Italy, April 6 with 775 passengers and stopped at Naples and Gibraltar. She had been due in New York Thursday, but Italian Line officials said she would arrive 24 hours late.

The budget provides for a total expenditure of \$2,199,936.07, a raise of a little more than \$17,000 over last year's budget.

The budget for this year provides for administration expenditures in the amount of \$56,640; instructional service, \$1,292,840; operation of plant, \$149,000; maintenance of plant, \$40,000; auxiliary agencies and fixed charges, \$32,077.13; transportation, \$166,014.20; capital outlay, \$40,879.24; debt service, \$143,913.50; state and local taxes, \$1,920,464.07 and special funds, \$279,472.

The administration budget provides for salaries amounting to \$9,000 for clerk treasurer; \$18,800 for office personnel, and \$15,000 for supplies and other expenses, including legal, audits, telephone.

Instructional service allows for salaries amounting to \$82,000 for principals; \$1,105,000 for teachers; \$25,340 for secretaries. Also included are \$72,000 for instructional expense and \$8,500 for libraries.

Total plant operation amounting to \$189,000 includes \$84,000 for custodians' salaries; \$50,000 for utilities, \$15,000 for supplies and repairs and \$40,000 for maintenance.

Assessed valuation of the school district has risen from last year's \$16,038,905 to this year's \$16,939,619. Bonded indebtedness as of June 30 is listed at \$1,128,000.

The possibility of a plant facilities reserve fund levy to alleviate some of the existing problems which cannot be taken care of with the yearly maintenance and operation funds is being considered by the school board.

It is noted that elementary schools are operating at capacity and two or three years' growth will create problems in each of the elementary buildings.

The high school, which was built for 1,200 students is currently housing 1,500 and if the problem of accreditation is to be solved the overload of students must be considered as well as the lack in curriculum, Lowder said.

Among elementary school needs are possible replacement of the old Heyburn building and

perhaps the Lincoln school before too many years; better facilities for libraries, music, cafeteria and elementary shops as well as play areas and parking lots.

Application has been made for a kindergarten under the "Head Start" program administered by the Office of Economic Opportunity.

Cuban Exit Urged for Americans

NEW YORK (AP)—Sen. Robert F. Kennedy, D-N.Y., urged today that the United States "make every effort" to arrange for the exit of the "few hundred American citizens still in Cuba, most of whom would like to get out."

He said negotiations had been under way "for some time" through the Swiss government to get the Americans "considered as part of the category now eligible for the refugee air-lift directly to the United States."

In testimony prepared for delivery here before the Senate Judiciary subcommittee on refugees and escapees, the senator said the government should make similar efforts on behalf of thousands of Cuban political prisoners now "lingering in Castro's jails."

Kennedy also called for legislative action to give Cuban exiles in this country a permanent status as resident aliens.

Under the present law they are admitted as "parolees," Kennedy said, and cannot "become permanent resident aliens — and therefore eligible for citizenship — unless they first leave the country, go elsewhere, and reapply for admission through the normal channels and under normal priorities."

Basic Reasons For Smoking Are Listed

PHILADELPHIA (AP) — Why do people continue to smoke even though they are convinced it may be harmful?

Dr. Bernard Mausner, after a four-year study financed by the U.S. Public Health Service, believes it is because they reject as intolerable the idea that their own health could be affected.

"Most people will agree with the proposition that smoking may be injurious to health," Mausner, a psychologist at Beaver College in suburban Jenkintown, said today.

But, he went on, "no smoker really can visualize himself as suffering from any of the major diseases associated with smoking."

"To think of one's self as a victim of lung cancer or coronary artery disease is inconceivable."

Thus, he believes, most people will keep puffing away.

In interviews and reports covering his studies, Mausner describes how subjects were shown the chain of reasoning that leads scientists to the conclusion that smoking is bad — and what the consequences are.

"Our hypothesis was that if they were shown this information they would quit smoking," he said.

However, at the end of the experiments, he found that although most smokers agreed smoking was harmful and something should be done about it, "nobody stopped smoking on the basis of the changed attitude — although a small proportion cut down."

Mausner believes there are three basic reasons why people smoke:

— "Enjoyment, tension relief, the general emotional rewards."

— "Social reasons: It's a kind of cement that ties people together."

— "The self-image. I think people are always proving who they are to themselves and to the outside world. And you can prove to yourself, by the gestures you make smoking, that you're sophisticated, or tough, or thoughtful, or nervous, or placid and calm."

MAN KILLED
AMERICAN FALLS, Idaho (AP) — One man was killed and another injured when two trucks and a car collided on U.S. 30N west of this south central Idaho community Tuesday night.

The Power County Sheriff's office identified the dead man as William Douglas McDonald, 41, of Reno, Nev. Officers said his passenger, Bob White, a 37-year-old transient, was taken to Power County Hospital with facial cuts.

Don C. Glenn, Power County deputy sheriff, said McDonald lost control of his car and it veered into the oncoming lane, sideswiped a truck driven by 17-year-old Shyrl L. Wheeler of Blackfoot, Idaho and rolled over.

Glenn said a car driven by Nadine R. Dell, 41, of Prosser, Wash., was blinded by lights as she approached the accident and hit McDonald's truck.

IDAHOANS LISTED
BOISE (AP) — Eight Idahoans are listed in the latest directory issued by the American Industrial Development Council, Idaho's Department of Commerce and Development reported Tuesday.

The council consists of business executives active in industrial development in the United States, Canada and in Costa Rica, Venezuela, France and Turkey.

The Idahoans listed are Orlando Mayer, Roger McGinnis, Louise Shaddock, Bruce Wendle and Hugh Wilson of Boise, William Kundra of Caldwell, Robert B. Purcell of Lewiston and Robert W. Saries of Nampa.

SUBMITS LOW BID
POCATELLO (AP) — Lystrup and Sons of Pocatello submitted the apparent low base bid of \$129,500 Tuesday for first-phase construction of a diesel engineering and automotive shop at the trade and technical school of Idaho State University. The building is to be completed before classes open this fall.

ISU Bursar William Bartz said the shop will be located adjacent to existing T and T buildings near Bannock Memorial Hospital. It is planned to expand the facility in the future.

3 Demos Don't Want to Make Issue of Tax

BOISE (AP) — Three of Idaho's four announced Democratic gubernatorial candidates asserted here Tuesday night the sales tax should not be an issue for this year's elections.

But the fourth — Sen. William Dee of Grangeville — rejected the contention and called the tax one of the "gut issues" of the campaign.

The four spoke at a forum sponsored by the Ada County Democratic Club.

Besides Dee, they were Lloyd Walker of Twin Falls, Sen. Cecil Andrus of Orofino and Charles Herndon of Salmon.

All four candidates, however, were unanimous in denying they had solicited any aid from Greater Idaho, Inc., a pro-gambling group headed by Phillip Jungert of Lewiston.

Walker accused Jungert of lying or siding with Republicans, criticizing the statement because Jungert did not name names.

Jungert was reported Monday to have said more than one Democratic candidate has inquired about Greater Idaho's programs.

PAYS FARMERS
WASHINGTON (AP) — The government paid farmers \$1.382 billion for holding down acreages of corn, barley and sorghum grain in 1965. Previous totals were \$1.71 billion for 1964 and \$346 million for 1963.

HEATERS USED
FRUITLAND, Idaho (AP) — Growers used orchard heaters extensively to prevent damage to fruit early today and the weather bureau said protection would be needed again tonight. Lowest temperature reported was 27 degrees, registered north of Payette and south of Fruitland. It was 28 at Ontario, Ore., and 29 in Emmett.

Meteorologist Harold Harvey said growers should be prepared to protect trees against temperatures tonight as low as 27 degrees.

ELECTION SET
REXBURG, Idaho (AP) — A school merger election will be held in Madison County May 10. The county commissioners set the date after receiving a request from the Idaho State Board of Education to permit patrons to vote on the question of whether School Districts 321 and 322 should be merged into one district.

For the merger to be approved, the question must have a favorable vote in both the present districts.

District 321 primarily is the southern half of Madison County, including Rexburg. District 322 is the northern half, including Sugar City.

ARRIVE IN BOISE
BOISE (AP) — Fifteen University of Idaho students have completed a 400-mile trip to promote the Easter Seal drive in Idaho without mishap and are spending the day in Boise.

The students, all members of the Delta Sigma Phi fraternity, arrived in Boise on schedule Tuesday and were greeted by Gov. Robert E. Smylie in front of the Statehouse.

The students started their trip last Friday with teams of two members each pedaling a tandem bicycle in half-hour shifts. The rest rode in four cars between shifts.

LOW BIDDER
BOISE (AP) — An Oregon firm was listed Tuesday as apparent low bidder on a North Idaho highway project.

The State Highway Department said Access Construction Co., Gresham, Ore., submitted a bid of \$362,966. There were eight other bidders.

The work involves clearing and grubbing and construction of an aggregate base on 3.505 miles of the St. Joe River road in Shoshone County.

TWO MILLION PHOTOS of Twin Falls County records are to be taken within the next two months. Morris Carlson, Twin Falls County Commission chairman, said the \$5,000 micro-filming project is an effort to prevent the loss of county records. From left are Mrs. Kendall Syverson and Mrs. Lora McCain, micro-filmers hired by the county. (Times-News photo)

Micro-Filming of County's Many Records Is Started

By PHILLIP LOWMAN
The process of micro-filming all Twin Falls County records which have accumulated during the past 40 years or so began Tuesday, and the two women who are filming them said the project should be completed within two months.

County Commissioner Heber Loughmiller said he thinks there

are more than two million photos to take and he doesn't see how they will complete the job in two months. He said many of these records are in danger of becoming illegible because of a water pipe which broke some time ago.

Loughmiller said the water has damaged many of the records, turning them brown and causing them to crumble when handled. Many of them are covered with mold and fungus and the process of handling them is quite unpleasant said Mrs. Kendall Syverson and Mrs. Lora McCain, the two women photographing them.

The County Clerk's office con-

tracted the Micro-Film Co., Caldwell, to do the job and the firm's representative hired the two local women.

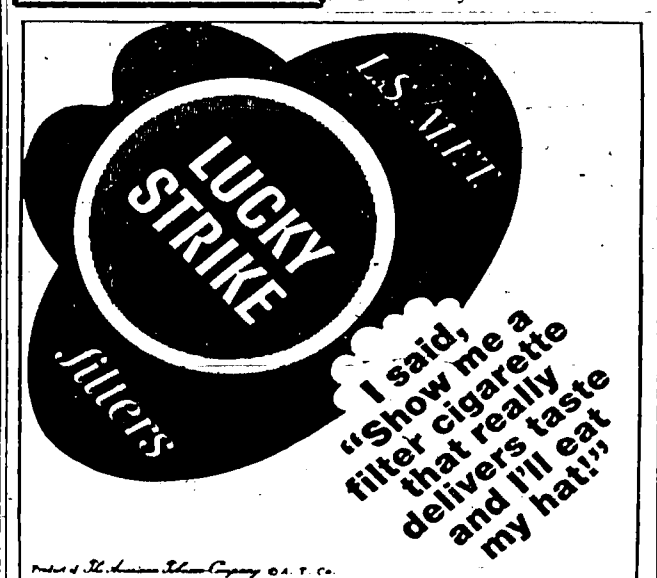

The two women only filmed 6-300 during the first two days, but said they expect to be taking 10,000 a day once they get organized. They both said this is the first experience they have had with this type of work, and they were only given half an hour of instruction prior to beginning.

The entire room is full of records and filing cabinets. The shelves became full so they began storing the records in filing cabinets, ran out of space, and employed cardboard boxes for filing.

The women said they began with the filing cabinets taking them by year in numerical order, then will clear the shelves and do the boxes last.

According to Loughmiller, Idaho Historical Society picks up each day's records once they have been filmed and takes them to Boise for safekeeping.

New War on Cancer May Be Staged

ATLANTIC CITY, N.J. (AP) — Prospects for a new kind of war on cancer — based on a discovery that malignancies appear to have a "suicidal" tendency — were reported today.

A Johns Hopkins scientist reported evidence suggesting that conventional anticancer weapons like radiation and certain drugs produce their effects — in part at least — by promoting self-destruction of cancer cells.

The same research, he said, also indicates that the way now appears open to using certain common chemicals, such as vitamin A, as helpmates of the conventional anticancer weapons — so as to greatly enhance a cancer's suicidal proneness.

Dr. David Brandes described the research and its potentially important practical possibilities in a report to the 50th convention of the Federation of American Societies for Experimental Biology. He amplified at a news conference.

The scientist, clearly excited by the prospects, gave this account of the research and the background facts:

Cancer cells contain tiny particles called lysosomes, which, in turn, contain enzymes capable of destroying the cells if released.

When the present heavy artillery of the anticancer war — radiation or certain drugs — is brought to bear against the cancer, some of the lysosomes release their enzymes, killing the cells.

But the research also discovered something else: that the conventional weapons, for reasons still unknown, cause additional lysosomes to appear within the tumor.

Finally, it was found that use of various common substances, like vitamin A, could cause enzymes to leak from the newly created particles, and enhance the cancer-attacking powers of the conventional weapons.

In animal tests, the combination treatment significantly enhanced the self-destruction of cancer cells, including leukemias, and delayed the resumption of tumor growth.

Hansen Cites Problem That Faces Nation

Congressman George Hansen told the Twin Falls Exchange Club that the major problem facing the United States is not one of "guns versus butter" but rather one of "guns versus fat."

Speaking to the service club at Wray's Cafe, Hansen said balancing the federal budget should be a bipartisan affair.

"However," he said, "with a commitment of a minimum of \$10 billion for the war in Viet Nam and with the administration calling for ever increasing amounts for the so-called war on poverty, it is essential that we examine these programs closely and trim off all excess fat."

As an example of what he called excess fat, Hansen cited the rent supplement program through which an Idaho family with an income of \$6,000 a year and not eligible for rent subsidy, could be taxed to help pay the rent of a New York family with an income of \$11,000.

"Also at the request of the administration the Congress has approved spending \$750,000 for a mansion for Hubert Humphrey and at the same time that money appropriated for military housing is being withheld," Hansen said.

He also said salaries among poverty potentates represented another area where a lot of excess fat could be slashed off. He said at least 36 of these officials were paid more than astronaut Neil Armstrong, 25 draw more than Gen. Westmoreland, commander-in-chief in Viet Nam, and at least five are paid more than the U.S. commissioner of education, who gets \$26,000 a year.

Utah Man Is Sentenced to Firing Squad

ST. GEORGE, Utah (AP) — Roy Lee Poe was sentenced today to death by firing squad May 23.

Judge C. Nelson Day of Fifth District Court pronounced the sentence on the 35-year-old bearded man, who stood erect with his arms folded, and didn't utter a word.

His attorney, Ellis J. Pickett, immediately told Judge Day he would appeal to the Utah Supreme Court.

Poe was convicted earlier this month of first degree murder in the death last November of Kenneth Hall, 54.

Since his arrest Poe has let his hair and beard grow luxuriously. A tall man, he presented a striking appearance as he stood mute before the judge.

Poe had lived several months with Hall at the victim's house in St. George. He was arrested in North Las Vegas, Nev., several days after Hall's body was discovered last Nov. 9 in the house. Hall had been shot twice with a 22-caliber rifle.

No motive for the slaying was brought out at the trial. However, several witnesses testified Poe had sold two guns which belonged to Hall and had taken Hall's car.

to attract some 275 women, will be held at the Ponderosa Club. It is the first time the Burley club has hosted a regional conference. The Soroptimist Club is the largest women's classified club in the world. (Times-News photo)

QUINCY, Mass. (AP) — Two girls and a boy cried when Dorraine MacLean, 26, told her kindergarten pupils she plans to be married Friday.

Miss MacLean, however, assured the class that she would not be away long and she invited all 51 pupils in the class Tuesday to attend the wedding.

All plan to attend—except those who have the chicken pox.

Two Trustees To Be Named At Hagerman

HAGERMAN — Two trustees will be elected for the Hagerman school district at a trustee election May 9. Polls will be open from 12 to 8 p.m. at Prince Memorial Gymnasium.

Zone 4, represented by Frank Henslee, and Zone 2, represented by Bob Adolf, will elect trustees. Anyone wishing to file for the election may obtain a petition from the superintendent's office at the high school.

Petitions must be signed by at least five persons and not more than 10 persons from the zone their candidate represents. Petitions must be in by April 30 for the filing deadline.

Qualified taxpayers or parents of children under 21 years of age are eligible to vote.

A bond election has been set for May 17 and trustees will hold a community meeting to explain the proposed building project, prior to this date. The date will be announced later.

Supt. George Carnie reported on the Science Fair held by mathematics and science classes.

An eighth grade night will be held in May for parents of eighth grade students with teachers explaining the courses offered for freshmen and a pre-enrollment will be held. This will be held in May.

An all-day work session for teachers will be set for Saturday April 16 to acquaint the teachers with the new equipment purchased through Title I public law 8910. Hagerman received \$8,764 for this equipment.

Buxton Hopes For Land Exchanges

BOISE (AP) — Negotiations between Idaho and the federal government are in progress and State Land Commissioner O. J. Buxton hopes some land exchanges can be accomplished by the end of summer.

Buxton and his staff met Tuesday in another negotiating session with officials of the U.S. Forest Service and the Bureau of Land Management.

A year ago, agreement was reached on a method of appraising land to be exchanged. The appraisal agreement was worked up so that priorities for exchange could be established.

"This is something that has needed to be done for a long time," Buxton said. "I am

thrilled at the way negotiations are going."

Buxton said he is hopeful as many as 3,000 acres can be exchanged this year.

The aim of the exchanges is to consolidate both federal and state holdings for more efficient administration.

High School Biology Class Completes Varied Projects

By RICHARD HIGH

The Twin Falls High School sophomore biology classroom of Mrs. John Gisler took on the look of the Smithsonian Institute Wednesday as students put their extra-curricular projects on display.

Skeletons of a lamb, several chickens and a cat — meticulously assembled with wire and glue — plaster of paris casts representing different stages of human evolution, and the skeleton of a woman hanging from the flag standard, seemed to overwhelm the classroom.

The displays were the result of a wide-ranging extra-curricular assignment. Each student was asked to make a project on a phase of biology that the student found particularly interesting.

Each project was prefaced by a teacher-student conference in which the student was required to outline just what he intended to accomplish by his work.

After the project was completed, the student made a written evaluation of the project's success, along with a bibliography.

Mrs. Gisler noted the "put-together - type work" required from the students has a great appeal, not only for the outstanding academic-oriented stu-

dent, but for the student who is academically marginal but who evidences creative ability and is a builder or craftsman.

As if to make her point, she noted a remarkable skeleton — she termed it an easy "A" — that was crafted by a student on the verge of academic failure.

Singer Incurs Head Injuries

LOS ANGELES (AP) — Singer Jan Berry was reported in serious condition at the UCLA Medical Center with head injuries today following an automobile accident.

A spokesman said Berry, 25, half of the Jan and Dean singing team, was semiconscious as a result of the accident Tuesday.

Officers said Berry apparently lost control of his sports car and crashed into a parked truck. His car was demolished.

extra-curricular projects are Alexia Joslin, daughter of Dr. and Mrs. H. D. Hartvigsen, Marian, Ind., and John McClusky son of Dr. and Mrs. D. A. McClusky. (Times-News photo)

Enrollment

Twin Falls children who will be 6 years old before midnight Oct. 15, will be enrolled at the school near their home between 8:30 a.m. and 5 p.m. Thursday.

School officials said the enrollment day had been extended to Thursday because of the slight enrollment Wednesday.

Enrollment may be made by telephone or in person.

Enrollment at this time is important in order to permit school administrators to schedule rooms and teachers for the fall term.

Plan for Event

IDAHO STATE UNIVERSITY, Pocatello—Bonnie Blakeslee, Filer, and Karen Hira, Kimberly, are ISU students working on committees for University Day Friday.

About 2,000 high school juniors and seniors are expected on the campus to inspect facilities.

Shoe Store Will Close In Twin Falls

Glenn (Bud) Jones, manager of Carl's Shoe Store in Twin Falls, is being transferred to Moses Lake, Wash., where he will manage a store for the company. The local store will be closed.

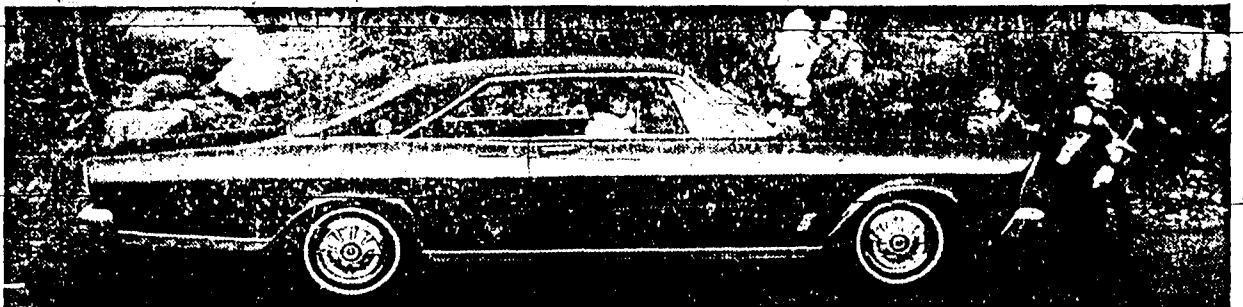

Jones started working here when the Twin Falls store opened and after three months was transferred to Kearns, Utah, where he managed a store for eight months. He then returned to Twin Falls and has managed the store here the past 14 months.

A native of Twin Falls, Jones said he is being transferred because the manager of the Moses Lake store died Sunday morning of lung cancer.

You'll never miss what's missing from Soft Whiskey.

To make Soft Whiskey soft, we didn't take out anything you'd want. It's still whiskey, doing what any other whiskey can do—only it does it softer.

The first thing you'll notice is that it goes down easy and stays smooth all the way down. That's because we don't make Soft Whiskey all at once. We do some distilling in small batches instead of large ones. Of course,

it takes more time and effort but that's one of the things we have to do to get Soft Whiskey.

Good business sense prevents us from telling you more about how we make Soft Whiskey. It's our secret and we're not about to give it away.

You'll never miss what's missing from Soft Whiskey. But if you haven't tried it yet you're missing a lot.

Members Quilt

SPRINGDALE — The LDS Relief Society quilted on a friendship quilt at a recent meeting. The quilt was presented to Mrs. Leonard Beckstrand who is moving with her husband to a ranch in King Hill.

Mrs. Beckstrand is a former Relief Society president and work director in the Springdale ward.

Officers Are Elected for Women's Club

BUHL — Mrs. George Fritz succeeded Mrs. Roland Harding as president of the Home Culture Club when elections were held during the April luncheon meeting at the home of Mrs. Paul Fingerson. Mrs. Dale Flatters was co-hostess.

Other officers are Mrs. Dallas Cox, vice president; Mrs. John Rhoads, secretary, and Mrs. Dean Mickelwait, treasurer. Officers will be installed at the annual Guest Day Luncheon slated for May 13. Reservations for the luncheon are to be made with Mrs. Rhoads.

Mrs. Mickelwait and Mrs. Marie Latham were named delegates to represent the local club at the fourth district convention scheduled for Thursday at Albion. An invitation was received to attend the state convention to be held April 23 through 30 at Boise.

Garden news was the topic for the afternoon discussion. Guests were Rev. and Mrs. Delmar Talley. Rev. Mr. Talley spoke to the group using a seasonal Easter message for his theme.

Hillandale Club Convenes

WENDELL — "Favorite Flowers" was the theme of the Hillandale Club meeting at the Civic Club Rooms.

Hostesses were Mrs. James Lee, Mrs. William Terry and Mrs. Ralph Requa.

An Easter decor was used in the hall decorations. Arrangements of appropriate flowers were displayed on the serving tables.

Mrs. Charles Lusk was a guest.

The new slate of officers was reported by Mrs. Raymond Evers. They include Mrs. Chester Rice, president; Mrs. Requa, vice president; and Mrs. J. M. Morgan, secretary-treasurer.

Mrs. Laurence Hashman reported for the flower committee. A sunshine box, with a gift and card from each of the members, was taken to Mrs. Anton Almberg, a member who is ill.

Final plans were made for the club's golden anniversary observance. The observance will be held Saturday at the IOOF Hall, beginning with a 1 p.m. luncheon. Women of the Rebekah Lodge will cater the luncheon.

Mrs. H. A. Houburg and Mrs. Charles Young were appointed in charge of the guest book.

The program of the afternoon was directed by Mrs. Raymond Evers and Mrs. Rice. It included a reading by Mrs. Young and an Easter poem by Mrs. Le Roy Gibbs.

The May 4 meeting will be Guest Day at the Civic Club Rooms. Hostesses are Mrs. Raymond Ruby, Mrs. Houburg and Mrs. Gibbs.

MR. and MRS. JOSEPH A. JENKS

Open House Scheduled for Anniversary

HEYBURN — Mr. and Mrs. Joseph Alfred Jenks will be feted Sunday at an open house in honor of their Golden Wedding Anniversary.

The event will be from 2 to 5 p.m. at the home of Mr. and Mrs. Don McCombs, 500 South 200 West, Heyburn.

The couple was married April 16, 1916, at Logan, Utah. Their marriage was solemnized July 21, 1916, at the Logan LDS Temple.

After their marriage they farmed in the Logan area until 1932 when they moved to a farm in the Hopewell district, east of Heyburn. In 1962 they retired and purchased a home at Rupert, where they now reside.

Mr. and Mrs. Jenks are active in the LDS Church, where he has served in the bishopric and high council, and Mrs. Jenks served 14 years in the Relief Society presidency.

The open house will be hosted by the couple's three sons and two daughters, Eugene Jenks, Jerome, Elder Jenks, Mesa, Wash., Orvin Jenks, Oakley, and Mrs. (Gwenivere) McCombs and Mrs. Kenneth (Annie) Johnson, both Heyburn. They have 30 grandchildren and four great-grandchildren.

The public is invited and the family requests no gifts.

LDS Theology Lesson Given

HAGERMAN — Mrs. James Mechem gave the theology lesson, "The Word of Wisdom," at LDS Relief Society meeting.

Music was under the direction of Mrs. Nels Anderson and Mrs. Ethel Boyer.

Mrs. Ernest Tolley and Mrs. Thelma Moyes gave the prayers. The luncheon and bazaar will be held April 28 at the church. The public is invited.

Dr. J. Taylor Is Speaker at Club Luncheon

Dr. James Taylor, president of the College of Southern Idaho, was guest speaker at the Twentieth Century Club luncheon meeting at Kay's Supper Club. He was introduced by Mrs. Roy Painter, program chairman.

Taylor spoke on the junior college, describing the advantages of the college to the community and praised the faculty. He told of the various fields in which the trade school prepare young men for future endeavor.

Paul S. Longenecker was introduced. He spoke on the vocational rehabilitation project.

Mrs. J. J. Jackson, president, gave the invocation and welcomed the guests. Mrs. Ted Roth played background music while the members and guests assembled. The tables were decorated in an Easter motif by Mrs. Raymond Rostrom. Guests were introduced and new members, Mrs. Ron Booth, Mrs. James Baron and Mrs. Cecil Jones were presented corsages.

Mrs. John Hayes announced the luncheon for Dr. Lillian Chao from Paipan University, Formosa, will be held at 1 p.m. Saturday at the Episcopal Church. Mrs. Marjorie Hawes told of the drive in regard to pornographic literature and explained how each member could help.

Mrs. Mary Arrington spoke to the group about the speech handicapped children and how they could help through support of the Easter Seal Drive. A picture, donated and painted by Mrs. N. Hinkelman, was displayed. The money raised by the picture will help the school for these children.

Mrs. E. E. Jellson urged the members to attend the two one-act comic-operas sponsored by the Twin Falls Music Club at 8 p.m. Friday at O'Leary Junior High School.

Mrs. Hawes, chairman of the nominating committee, presented the state of officers for the coming year.

PARTY HELD

RICHFIELD—Billy Whitesell celebrated his 9th birthday anniversary at a party at the home of his cousin, Mrs. Carl Robinson. Mrs. David Whitesell made the birthday cake and assisted with serving. Cathy Robinson conducted games.

FASHION HITS the bull's-eye for today's small Annie Oakleys. Cowgirl dress of buckskin-colored cotton, left, has frontier fringe borders on the sleeves, bouffant skirt and pull-through tie. Wagon wheel buttons travel down the front of this design by Martha's Miniatures of Texas. Kingston of Texas, right, shows how the sandpail set can look ship-shape. A short shift sails crisply over matching shorts in a white lighthouse print on bright red or blue.

Eighth Annual Convention Set Thursday

CASTLEFORD—The official call to the eighth annual convention of the Fourth District Idaho Federated Women's Clubs has been issued for Thursday by Mrs. Lawrence Sill, Castleford, president.

The Albion Four Leaf Clover Club whose president is Mrs. Vard Chatburn is hostess for the day. The meeting will be held in the Albion Grange Hall, with registration to begin at 8:30 a.m. and the business meeting at 9:30 a.m.

Speakers of the day are Mrs. F. D. Wetterow, Idaho state president, Sandpoint, and Mrs. Vard Chatburn, representative to state legislature, Albion.

A special feature of the program is to honor the older members in Federated Club work with representatives from each club to participate. This year is the Diamond Anniversary of the federation, marking 75 years of service.

All members of federated clubs are invited.

Social Events

Past Noble Grands Club will meet at 8 p.m. Thursday at the home of Mrs. Ella Chase. Hostesses are Mrs. Clara Anderson, Mrs. Goldie Chapman and Mrs. Cilia King. The program will be given by Mrs. Mary K. Boyd, Mrs. Clarice Walters and Mrs. Anna Wilson.

FILER—Maroon Woman's Club will meet Thursday at the home of Laura Mae Sharp, with Freda Ihler as co-hostess. A demonstration will be given on crocheting rugs and members wanting to participate are asked to bring "H" crochet hooks and rug yarn.

SHOSHONE—The Methodist Church will hold a rummage sale Friday and Saturday at the old Variety Store building. Mrs. Elmer Terry, chairman, announced the sales will begin at 9 a.m. each day.

Annual Mothers Tea Scheduled By Hansen Unit

HANSEN—Plans were made for the annual Mothers Tea at the Friendship Club meeting at the home of Mrs. Joseph Froehlich Jr.

Mrs. Norville Reynolds was appointed as the dining room chairman, with Mrs. Lee Lucich and Mrs. Mable Arment as her committee members. Mrs. Dell Wright was appointed chairman of the kitchen committee, with Mrs. Lewis Reed and Mrs. Floyd Patterson as her co-workers.

As a part of the opening exercises, paintings by Cezanne were shown.

Mrs. Froehlich, program chairman, showed colored slides taken of excavation of Pueblo Indians stone villages near Santa Fe, N.M. The ruins date back to 1300 A.D. and have only just begun. She read some humorous articles, a list of rules for teachers in 1872, and "A Club for Mothers with Teenage Cooks."

Mrs. Arment, the only charter member of the club still belonging, made a cake commemorating the 30th anniversary of the club. It was decorated with pink roses and green leaves, club colors.

Mrs. George Nauman Jr. received a special gift.

The April 21 meeting is at the home of Mrs. Newman, with Mrs. W. G. Allen as program chairman. The Mother's Tea is May 5 at Woodman Hall.

Thomas Mahan Kept as Youth Ranch Aide

Wednesday, April 13, 1966
Twin Falls Times-News 15

RUPERT—Thomas P. Mahan has been re-elected president of the board of directors of the Idaho Youth Ranch. It was announced Wednesday. He is a certified public accountant residing in Jerome.

Re-elected to serve with Mahan are Arlow Montgomery, Heyburn, vice president, and Earl Peck, Twin Falls, secretary-treasurer.

Board members report the Idaho Federation of Women's Clubs will have a dedication ceremony at the ranch April 24, to erect a plaque and dedicate a living unit, which the club has been instrumental in furnishing.

The articles and bylaws of the Idaho Youth Ranch are being revised as a part of the overall steps in order to meet requirements for licensing by the state as a child-care institution. The only requirement remaining for state licensing is preparation of a budget, which is currently in process.

Roger Ling, local attorney, has been working with the directors of the ranch in revising the articles and bylaws.

The original bylaws provided board members to serve for life or until voluntary retirement, but several years ago, draw backs of such an arrangement were recognized and the board decided to revise the bylaws, Mahan said.

The revised bylaws provide for expiration of a director's term on Dec. 31 of the third year after election. Re-election of a director will be subject to approval of the board and in the event a vacancy occurs the position is to be filled by the remaining board members.

Should the entire board vacate their positions, new members are to be appointed by area trustees.

Mrs. Ruth DeThomas has been named the first area trustee for the ranch. Provision for area trustees have been written in the revised bylaws and they are to serve in a liaison capacity in disseminating information concerning the ranch, relating local information deemed of interest and establishing a point of contact for the ranch.

Trustees will be appointed throughout the state and each trustee will serve for a term commencing with the date of his appointment until Dec. 31 of the second calendar year following appointment.

A trustee may be reappointed according to the approval of the board of directors. Trustees will be urged to attend the regular quarterly meetings of the board but have no power to vote or bind the ranch to any commitment.

Mahan noted a state Grange executive committee and a special committee appointed by the Grange to make recommendations to the Youth Ranch directors have been invited to meet with the directors for discussion, but declined the invitation.

John McCollum, director of the boy program at the Ranch, reported that Don Rhode of the Ada County Mental Health Service had visited the ranch and noted the ranch offers a fine program and potential, and that he has volunteered to offer assistance with any emergency which might come up at the ranch.

Also a report was given on obtaining matching funds for a pledge made by the Steel City Foundation of New York City to match all local contributions up to \$10,000, pledged by July 1 of this year.

Rev. Donald Enders, pastor of the Assembly of God Church, Rupert, gave the invocation and board members in attendance at the meeting were Mahan, Peck, Montgomery, Roy Neider, Pocattello; Dr. A. A. Krueger, Ashton; Lloyd Banon, Fairfield; William Roper, Burley; Mrs. Boyd Martin, Moscow; Jack Thomas, Idaho Falls; Roy Miller, Pocatello, and Clyde Greenwell, Paul.

Arab Communist Returns After 8 Years in Exile

BEIRUT, Lebanon (AP) — The Arab world's top Communist has returned to the Middle East after eight years in exile behind the Iron Curtain.

Khaled Bagdash, 54, secretary-general of Syria's outlawed Communist party, flew to Damascus five days ago from the Soviet Communist party congress in Moscow, reports from the Syrian capital said today.

Bagdash's return was allowed by the left-wing regime which seized power from moderate Socialist leaders in Syria in February. The return of the Communist was seen as an indication of new policies in Syria, but not necessarily as a sign that Syria is joining the Communist camp.

Meeting to Form

An organizational meeting to form a local barbershop quartet group will be held at 8 p.m. Thursday in the YMCA building.

This international society was formed in 1938 and now boasts a membership of 30,000 men. Idaho has chapters in Boise and Idaho Falls.

Anyone interested in the preservation and encouragement of barbershop quartet singing is invited to the meeting. Sheet music will be furnished by international headquarters.

Commissioner On Highway Board Quits

OAKLEY—J. Newell Dayley resigned as commissioner of the Oakley Highway District at the monthly meeting Monday night at the Village Office. Dayley listed ill health as his reason for resigning.

He served on the board for 11 years, nine as chairman of the board.

The board reported that Oakley now has 58.70 miles of unimproved roads, 19.15 miles of graded and drained roads, 198.10 miles of gravelled or stone roads and 42.90 miles of oiled roads.

A new board member will be appointed at the next board meeting to finish the unexpired term of Dayley.

Medicare Is Explained by T. F. Official

"Medicare is intended to be as simple as possible, with no unnecessary red tape," explained local Social Security Director Wesley Watson, in answer to one doctor's refusal to accept Medicare patients.

Watson went on to explain that red tape involved would be no more than if doctors were dealing with private insurance carriers, as the procedure for collection of fees would be basically the same. Several other doctors have contended that the term "reasonable charges" as used in the Medicare bill would eventually lead to a government-controlled fee schedule.

Watson asserts this is not the case, but rather the term is to be interpreted as meaning the basic fee charged by other doctors and specialists in treating similar injuries and illnesses in the same area.

In fact, the term "reasonable charges" is to be found in most policies that are written by private companies.

Since the deadline for enrolling under Medicare has been extended to May 31, there have been no inquiries from individuals who might be affected by the new date. However, it is expected that some will want to change their initial enrollment cards due to the pressure being placed on them by private insurance carriers.

Most insurance companies have advised their insured people who are eligible for Medicare that they would prefer to have the people enroll for Medicare, and then take out private supplemental policies. Some insurance companies have insisted that this procedure be followed and have advised individuals that they will not renew policies if the insured is eligible for health insurance under Medicare.

Watson said the Social Security office will be open until 9 p.m. each Friday until May 31 so all people who might be eligible for benefits under Medicare will have a chance to sign up.

Drive for Negro Votes Is Urged

WASHINGTON (AP) — Two Republican organizations that label themselves progressive have urged the GOP to undertake an all-out drive for Southern Negro votes.

The appeal was made Tuesday night in a joint report by Republicans for Progress, a citizens organization built around former Eisenhower administration officials, and Republican Advance, a Yale University group.

PHILADELPHIA (AP)—Alan Miller has shoulder-length blond hair and that's where his troubles begin.

Because Miller, a 17-year-old honor student, refuses to cut the hair, he has been suspended from classes at the Unionville-Chadds Ford High School in suburban Philadelphia.

The school board is taking up the matter, but until it does, Miller isn't allowed to attend the school.

Miller contends his hair is vital to his appearance as a member of a rock 'n' roll band. He is a guitar player.

Canadiens Hike Series Lead to 3-0

TORONTO (AP) — Ralph Backstrom, Bobby Rousseau and Terry Harper scored three minutes apart in the second period as the Montreal Canadiens came from behind for a 5-2 victory over Toronto Tuesday night and a 3-0 lead in their National Hockey League playoff series.

The Canadiens' third straight triumph pushed the Leafs to the brink of elimination in the best-of-7 semifinal set. They now must win four in a row, beginning with Thursday night's fourth game at Maple Leaf Gardens, to reach the final round.

Trailing 2-0 with eight minutes gone in the second period, the Canadiens capitalized on a Toronto error and turned the tempo of the game.

Dick Duff, a former Leaf, triggered the explosion when he picked off a clearing pass by Toronto defenseman Tom Horton inside the blue line and fed Backstrom, sweeping in alone on the right side. Backstrom beat Leaf goalie John Bower with a short backhand and the Canadiens were on their way.

Tigers Edge Yanks 2-1 in Ninth Inning

NEW YORK (AP) — Norm Cash clipped Whitey Ford for a run-scoring single in the ninth inning that gave Mickey Lolich and Detroit's pennant-minded Tigers a 2-1 victory over the New York Yankees in their baseball season opener Tuesday.

Lolich, who allowed six hits and struck out 10 in besting Ford in the duel of left-handers, opened the Tiger ninth with a single but was out trying for third on Don Wert's hit. However, Wert took second on the play, went to third as Jerry Lumata grounded out, and cashed home when Cash lined Ford's first pitch to center for a hit.

The Yanks rallied in the last of the ninth when a walk and Joe Pepitone's single put men on first and third with one out. But Lolich weathered the jam, getting Elston Howard and pinch-hitter Roy White on pop-ups.

Marichal and Giants Rout Chicago 9-1

SAN FRANCISCO (AP) — Ace right-hander Juan Marichal of the San Francisco Giants lost his bid for a perfect game in the seventh inning Tuesday but went on to whip the Chicago Cubs 9-1 on a three-hitter in their National League baseball opener.

Willie Mays spoiled the managerial return of his old boss Leo Durocher when he walloped a 415-foot homer with a man on base in the fourth to trigger a six-run uprising.

Mays' blast came off starter and loser Larry Jackson while Len Gabrielson socked a solo off reliever Bill Faul in the seventh.

Marichal, who didn't report to spring camp until March 28 while negotiating a pay boost for his 22-13 record, retired the first 18 men to face him. Then Ty Cline was safe on an error opening the seventh, and Glenn Beckert doubled for the first Chicago hit. Cline scored on an infield out.

Hawks Drop Wings, Take Series Edge

DETROIT (AP) — Second-period goals by Chico Maki and Eric Nesterenko carried the Chicago Black Hawks to a 2-1 victory over the Detroit Red Wings Tuesday night and moved them to a 2-1 edge in their best-of-7 Stanley Cup playoff series.

The triumph was costly to the Black Hawks, however, as they lost the services of defenseman Elmer Vasko in the first period and Maki in the third.

Maki fell to the ice early in the final period after fighting for the puck with a number of players in front of the Chicago bench. He suffered a sprained right knee and possible torn ligaments.

He is not expected to play in the fourth game of the series Thursday.

Vasko sustained an eight-inch gash on the back of his right thigh while stopping Norm Uhlman's breakaway attempt. The wound required 20 stitches.

Bryan Watson, again given the job of shadowing Chicago's Bobby Hull, scored Detroit's only goal at the 15:01 mark of the first period.

Nicklaus Listed Among Top Ten

PAIM BEACH GARDENS, Fla. (AP) — Golfer Jack Nicklaus rode his playoff victory in the Masters tournament into the top 10 money-winner list of the Professional Golfers' Association.

The Masters is not sponsored by the PGA, but it considers the \$20,000 Nicklaus carried home as official prize money. Until the Augusta, Ga., tournament, Nicklaus had trailed in the standings.

Nicklaus was listed Tuesday in the No. 3 spot with \$33,103 in official winnings and a total of \$35,198.

Doug Sanders clung to first place, followed by Gay Brewer.

Baseball Runs Poor Second to 'Gone With Wind' in Southland

ATLANTA (AP) — Bobby Bragan is not Clark Gable and Eddie Mathews would never be mistaken for Vivien Leigh, so there's no need to be disappointed if the Braves don't break into Atlanta like the movie premiere of "Gone With The Wind." They didn't. Atlanta welcomed major league baseball to Dixie Tuesday with a restrained whoop and holler—and a mild yawn. The people didn't exactly

tear up Peachtree Street or cause the cops to be called out to put down the riot at famed Five Points. "It's nothing like the excitement over 'Gone With The Wind' in 1939," said Eugene Wilburn, 65, a porter at a midtown air office.

"People were standing on each other's shoulders then because there was no room on the sidewalks."

"I guess it's because we don't know for sure that the Braves are really ours with this court suit and all."

A middle-aged man, straining to catch a glimpse of one of the beauteous curvies in the parade, grumbled that he couldn't get very excited about major league baseball in this Georgia metropolis.

"They had to go north and import a bunch of Damn Yankees from Milwaukee," he said. "We ought to have our own ball club."

This metropolitan city of more than a million, steeped in tradition and culture and proud of its wealth and first families, seems a bit blasé about such a mundane thing as a big league ball team.

An estimated 250,000—by police estimate—lined the streets to witness an afternoon civic parade welcoming the Braves and their opponents, the Pittsburgh Pirates, in Tuesday night's opener at the \$18-million Atlanta Stadium.

Most of them were school kids, given a holiday, and office workers, whose establishments closed by proclamation of the mayor.

"I just came to see the parade," said Bernice Colquitt, a statuesque blonde secretary. "I don't know or care anything about baseball." A little brunette companion echoed, "Me, too."

At the head of the parade a white-haired clown in a Braves home uniform sped by, smoking an out-sized cigar.

"Who's that?" an onlooker asked.

"I think it's the Braves' manager," a girl companion answered.

"Search me," the girl replied. "The fanfare that accompanies such events as an Army-Navy football game or a World Series

was conspicuously missing. "Maybe it'll pick up when the season starts," said Mathews, a former Atlanta Cracker player who has been with the Braves at Boston and Milwaukee? Taxi drivers and people on

street corners talked little baseball. There were few welcoming signs.

Hawkers selling Braves and Pirates pennants worried about where the evening meal was coming from.

Ashford Makes Majors To Close 15-Year Wait

WASHINGTON (AP) — After 15 years of waiting, Emmett Ashford has finally made it to the major leagues.

Ashford, who proved himself tops among minor league umpires, is the first Negro to move up in that role in the major leagues.

Ashford was quoted before the season as having butterflies, but his debut in the American League opener Monday between Washington and Cleveland apparently erased them.

Although he had scant opportunity to prove himself at his post near third base, he made sure everyone knew he was there when called on for a decision.

In the third inning, the Indians' Vic Davallio raced from first to third on a single by Max Alvis. It appeared that Davallio and the ball would arrive at the same time.

Ashford charged around the bag, positioning himself on the infield, and then with gestures that no one could mistake he gave the safe sign. In the same instant, the ball went through third baseman Ken McMullen's legs.

The only other time Ashford was in the spotlight came in the sixth inning when Washington's Frank Howard lined a home run down the left-field foul line.

Many in the crowd — and Howard himself — thought the ball was going foul. But Ashford ran down the left-field line and with animated gestures pointed toward the playing field to indi-

cate it was a home run. Ashford has traveled hundreds of thousands of miles during his years as an umpire. He spent most of his time in the Southwest and the Pacific Coast League, where he was umpire-in-chief for two years.

He lived out of a suitcase, moving in as a troubleshooter when the situation arose.

Control Resistant Wireworms in potatoes... Use Niran® 10-G ...and be sure!

Powerful Niran 10-G controls all wireworms in potatoes... even those which have developed resistance to many conventional insecticides.

Play it safe. Wireworms damage both potato seed pieces and infest growing tubers. Crop damage in infested soils can result in heavy yields. Wireworms can cause substantial losses of marketable production.

The most effective way to use Niran 10-G is to broadcast from 20 to 40 pounds of granules per acre before planting. Immediately work Niran 10-G into the upper 4 to 6 inches of soil. Wireworms move about in the soil. That's why broadcast application is most effective.

Be sure the soil temperature is warm enough before applying Niran 10-G. Wireworms do not move near the surface of the soil until the temperature is warm enough. Soil temperatures are generally too cool prior to April 1. Follow directions carefully for most effective use.

Niran 10-G is a powerful chemical. Treat it with respect. Read and follow directions on the label carefully.

NNC, Idaho Stay Undefeated in Baseball Tourney

Idaho and Northwest Nazarene emerged with 1-0 records while Idaho State divided two games Tuesday after first-day play in the college classic baseball tournament in Boise and Caldwell. Idaho beat Idaho State 4-2 while Northwest Nazarene nipped College of Idaho in the fifth.

Idaho State came back to blank Boise College, 5-0. The Vandals rallied for two runs in the sixth for a 4-2 victory over the Bengals.

Wally Posey and Doyle Demond singled. They scored later on two fielder's choices.

The Bengals won their second game when Gerald Kimura allowed Boise College only one hit — a single by Tom Deating in the fifth.

Errors by the Broncos allowed Idaho State two unearned runs in the second and the Bengals went on to win 5-0.

Northwest Nazarene took advantage of a throwing error in the fourth to beat College of Idaho 1-0.

Kay Engleking scored from third after tripling when Gary Lawhead's Smash to third was over-thrown to first.

Bases-Loaded Balk Nets Win For Orioles

BOSTON (AP) — Jim Lonborg, who had pitched three innings of perfect relief, balked with the bases loaded in the 13th Tuesday, and handed the Baltimore Orioles a 5-4 opening day victory over the Boston Red Sox.

Lonborg slammed the door in the face of the rallying Orioles in the 10th, but filled the bases with two out in the 13th. He allowed a single to Bob Johnson, then intentionally walked two Orioles after Johnson moved to third on a sacrifice and a fly ball.

Then, pitching to Luis Aparicio with two out, he balked and Johnson stroled home.

Only an excellent defensive play by Boston's newly appointed field captain Carl Yastrzemski forced the game into extra innings.

The Orioles tied it 4-4 in the ninth when Brooks Robinson rammed a bases loaded, two-out single to left, scoring pinch-runner Russ Snyder.

Woodie Held, however, tried to score from second on the liner and Yastrzemski fired a strike to the plate, catching the runner by 10 feet.

Fairly Bats Dodgers Past Astros 3-2

LOS ANGELES (AP) — Ron Fairly drove in all three runs in support of Claude Osteen's six-hit pitching Tuesday night as the Los Angeles Dodgers beat Houston 3-2 in a National League opener before 34,520.

Fairly broke open a 1-1 pitching stalemate between Osteen and Robin Roberts with a run-scoring fly in the sixth inning. It scored Wes Parker, who walked, took second on a bunt and reached third on a passed ball charged to catcher John Bateman.

The unearned run spoiled Roberts' 13th opening-game assignment in the National League.

Fairly gave the Dodgers a 1-0 lead in the first inning when he singled to drive in Maury Wills. Wills led off with a single and moved to third on two infield outs. Fairly also drove in a run in the eighth with another single, again scoring Wills, who led off with a single.

Twins Nip A's On Single in Ninth Inning

ST. PAUL - MINNEAPOLIS (AP) — Sandy Valdespino's single in the ninth scored Zoilo Versalles from second and gave the Minnesota Twins a 2-1 victory over the Kansas City A's Tuesday in an American League opener.

Versalles opened the frame with a base on balls, moved to second on a wild pitch and gave the defending American League champions their first victory of the campaign when Valdespino grounded a single to right.

Jim (Mudcat) Grant, a 20-game winner for Minnesota last season, gave up six hits. Jim (Catfish) Hunter, the loser, yielded only four hits to the slugging Twins.

Chicago Nips Angels 3-2 in 14th Inning

CHICAGO (AP) — Tom McCraw scratched a bases-loaded, 14th-inning single Tuesday that propelled the Chicago White Sox to a marathon 3-2 opening day victory over the California Angels.

McCraw's single off the glove of first baseman Guillermo Montanez drove in Floyd Robinson with the run that broke the 2-2 tie that had existed since the seventh inning.

The winning blow came off George Brunet, the fourth Angel pitcher.

Brunet, who came on in the 14th, got into trouble immediately. He allowed a single to Robinson and had two men on when Ken Berry sacrificed and reached base on a late throw to second. A single by J.C. Martin loaded the bases and set the stage for McCraw's winner.

Rookie outfielder Tommy Agee erased a 2-0 California lead with a two-run homer off Angel ace Dean Chance with two out in the seventh.

New Pheasant Strain Is Eyed

BOISE (AP)—The Idaho Fish and Game Dept. reported Tuesday an experiment intended to develop a new strain of pheasants.

The department said it released 70 Japanese green pheasant roosters and 140 Chinese ring-necked pheasant hens in an area about seven miles from St. Maries, in northern Idaho.

"All pheasants hybridize readily in the wild," said Elwood Bizeau, state bird supervisor, "and this release will give a preview of this kind of cross."

Reds Will Have Late Opener

CINCINNATI (AP) — It looks as though the Cincinnati Reds will have the latest "opening" day game in their history this year.

Steady, cold rain caused President-General Manager Bill DeWitt to postpone the already once called off opening game with the New York Mets before noon Tuesday.

The Reds and Mets are scheduled to play Wednesday night, but DeWitt said the colorful pregame ceremonies associated with opening day will not be held until April 22 when the Reds take on Philadelphia at Crosley Field after a road trip. A fireworks display will be added to the usual parade and other festivities.

Clay Gets Offer To Meet London

LONDON (AP) — A British boxing promoter offered Cassius Clay \$280,000 Tuesday to defend his world heavyweight title in London against British champion Henry Cooper.

Matchmaker Micky Duff said he had cabled the offer on behalf of promoter Harry Levene. Duff said Levene hoped to stage the fight May 21 or May 28.

A previous Cooper-Clay fight was held in 1963, before Clay won the title. Cooper put him down with his left hook — but eventually was knocked out in the fifth round.

Pirates Ruin Atlanta's Home Debut

ATLANTA (AP) — Willie Stargell's two-run homer in the 13th inning gave Pittsburgh a 3-2 victory over Atlanta Tuesday night and ruined the Braves' long-awaited Dixie debut.

The National League opener, first major league game ever played in the Deep South, attracted a crowd of 50,071—some 200 less than capacity. The crowd, however, was the largest for a home-opener in Braves' history, exceeding season-opening attendances in either Boston or Milwaukee.

However, the festive atmosphere seemed to end when the game went into extra innings. By the time the 13th inning had arrived half of the crowd had left.

Joe Torre hit two homers for the Braves but Stargell's shot and an eighth-inning homer by Jim Pagliaroni won it for the Pirates.

Tony Cloninger, a 24-game winner last year, went all the way for the Braves, striking out 12. But he ran into trouble right at the start of the 13th when Maury Alou beat out a bunt. Two outs later, Stargell homered over the right-field fence.

The victory went to reliever Don Schwall. Pittsburgh 000 000 010 000 2—3 10 0 Atlanta 000 010 000 000 1—2 8 1

Celtics Rip 76ers to Gain NBA Finals for 10th Straight Year

PHILADELPHIA (AP) — The Boston Celtics defeated the Philadelphia 76ers 120-112 Tuesday night to advance to the National Basketball Association playoff finals for the 10th straight year. Led by their brilliant outside shooters, John Havlicek, with 32 points, and Sam Jones, with 30, the Celtics eliminated the team that had edged them out of the regular season Eastern title by a single game, and

Family Favorite Recipes

Good Eating Suggestions From Your Neighbors

*"The World's Best Cooks
Live in Magic Valley"*

COVER

One of many Magic Valley housewives who are sharing their favorite recipe in this collection of "Magic Valley Favorites," is Mrs. Leo Braun, 2144 Rancho Vista Drive, Twin Falls.

This color photo of Mrs. Braun was taken by O. A. (Gus) Kelker, Times-News feature editor. Here she is preparing one of her favorites, "Banana Nugget Cookies." This recipe is on page 8 of this section.

Recipes, submitted from throughout Magic Valley have been grouped into categories in this edition for easy reference.

Desserts

RASPBERRY DELIGHT MRS. GEORGE PUBANZ Filer

Crush one-half pound wafers. Line a nine by 12-inch pan with two-thirds of the crumbs. Beat three-fourths cup soft butter, two eggs and two and one-half cups powdered sugar. Spread over layer of crumbs.

Boil juice from one quart frozen raspberries or strawberries, one-half cup water and two tablespoons cornstarch. If strawberries are used add three to four tablespoons cornstarch. Add berries and cool thoroughly.

Spread over butter and sugar layer. Whip one-half pint cream, sweeten and spread over berries. Top with crumbs.

Chill several hours or overnight.

CHEESE CAKE

MRS. JEANNIE HANSEN
908 11th AVE. N., BUHL
Cream together one large (8-ounces) package cream cheese and one-half cup sugar. Add one-half cup sour cream and two teaspoons vanilla.

Dissolve one package lemon gelatin in one cup hot water and add to the above mixture. Whip one can evaporated (chilled) milk until stiff. Blend together.

Pour into a graham cracker crust and chill until set.

CHOCOLATE MARSHMALLOW TREATS

MRS. VERN SHAW 640 ALTURAS DRIVE TWIN FALLS

$\frac{1}{2}$ cup butter
2 cups marshmallow creme
3 squares semi-sweet chocolate
5 cups rice crispies
Melt butter and chocolate in large saucepan over low heat. Add marshmallow creme. One teaspoon vanilla may be added at this time if desired. Continue to cook over low heat, stirring constantly until mixture is well blended.

Remove from heat. Add rice crispies and stir until well coated. Press warm mixture firmly into a buttered 13 by 9-inch pan. Cut into squares when cool. Makes 24 two-inch squares.

MINT APPLE RINGS MRS. H. A. CHILDERS ROUTE 1, FILER

Mix in a skillet
2 cups sugar
2 cups water
Green cake coloring
Mint flavoring
Pare and core apples. Jonathan or Delicious. Slice crosswise about one-half-inch thick. Place layer of apples in skillet. Cook covered until tender.

Remove lid and simmer until syrup is thickened.

This recipe is very good with Easter ham. For a variation use red cake coloring and one-half cup cinnamon imperials.

SOFT RAISIN BARS STELLA WORCESTER 297 SUNNY VIEW COURTS, TWIN FALLS

$\frac{1}{4}$ cups sugar
1 cup shortening
2 eggs
1 cup raisin water
1 teaspoon soda
3 cups flour
salt
black walnut flavoring or vanilla
 $\frac{1}{2}$ cups raisins

Cream sugar and shortening. Add eggs and beat well. Dissolve soda in raisin water. Add flour and raisin water alternately to creamed mixture.

Add raisins last. Spread into a greased cookie sheet and bake in a 350 degree oven.

While warm, frost with a thin powdered sugar icing.

CHERRY SURPRISE

MRS. MACK BOLINGER 170 MADRONA ST., TWIN FALLS

Melt 40 marshmallows, regular size, in one and one-half cups milk. Cool and stir. Whip one and one-half cups whipping cream. Fold into marshmallow mixture.

Crush 20 graham crackers. Mix in one-third cup melted butter and three tablespoons sugar. Pack into a seven and one-half by 12-inch pan. Save some to sprinkle on top.

Pour one-half of marshmallow mixture over graham cracker crumbs. Add one can cherry pie filling. Top with remaining marshmallow mixture. Sprinkle remaining graham crackers over top.

Chill and serve. Makes nine to 12 servings.

DATE ROLLS

MRS. ANDREW SERR 910 SIXTH ST., RUPERT

16 marshmallows, sliced
10 gumdrops, sliced
2 oranges, ground, use juice and all
1 cup dates, sliced
1 cup brown sugar
 $\frac{1}{2}$ cup walnut pieces
 $\frac{1}{2}$ teaspoon nutmeg
 $\frac{1}{2}$ teaspoon cinnamon
pinch of salt

Put all ingredients into a mixing bowl and mix well. Add enough graham cracker crumbs to make a stiff dough. Form into a roll one and one-half-inch thick.

Wrap in waxed paper and cool in refrigerator. Slice like cookies and dip in powdered sugar. Place one-half date on top of each piece.

This can be kept in refrigerator for weeks and can be frozen for months. This recipe can take the place of a fruit cake.

CREOLE ROLL

HELEN GILMORE BOX 274, HAGERMAN

3 cups sugar
1 cup canned milk
2 cups sliced dates
1 cup walnuts

Heat sugar and milk very slowly until sugar is dissolved. Stirring, cook to a soft ball stage. Add dates and cook a few minutes longer. Cool and add nuts.

Beat until firm enough to roll in wet cloth. Chill and serve.

FROZEN DESSERT

MARY ANN HILDRETH STAR ROUTE, CASTLEFORD

1 No. 2 can grapefruit sections
1 No. 2 can crushed pineapple
2 cups water
 $\frac{1}{2}$ cups sugar
green food coloring
red cherries
large bottle of 7-Up

Boil sugar and water until dissolved. Add a few drops of green food coloring then pour over fruit. Pour into long cake pan and freeze.

Cut into squares, put in a bowl and pour 7-Up over the top. Top with cherries and serve.

BROKEN GLASS TORTE

DATE ROLLS

MRS. MERLE FRANCIS BOX 1047, TWIN FALLS

Dissolve three packages gelatin, strawberry, lime and orange, using one and one-half cups water for each.

Pour into pans to mold and when ready to use, cut into one-inch cubes.

Dissolve one envelope gelatin in one-fourth cup of cold water. Add one cup hot pineapple juice and let cool. Beat two cups whipping cream and add one-fourth cup sugar and one teaspoon vanilla.

Fold in pineapple juice carefully and then the gelatin squares. Line spring form pan with angel food cake. Slice or tear cake into small pieces.

Pour gelatin whipped cream mixture in lined pan and let stand in refrigerator six to 12 hours.

Serves approximately 12.

APPLE-COCONUT SQUARES

MRS. LILLIS FRANCIS 804 FOURTH AVE. W., TWIN FALLS

1 pie crust, using $2\frac{1}{4}$ cups flour
5 cups apples, peeled and sliced thin
 $\frac{1}{2}$ cup sugar
 $\frac{1}{4}$ teaspoon cinnamon
2 tablespoons butter or margarine

1 egg
 $\frac{1}{2}$ cup sugar
 $\frac{1}{2}$ cups shredded coconut
dash of salt
 $\frac{1}{4}$ cup milk

Roll pastry one-eighth-inch thick and line baking pan, 14 by 10-inches. Arrange the sliced apples in rows on the dough. Mix one-half cup sugar and the cinnamon; sprinkle over apples. Dot with butter and bake in hot oven, 425 degrees, for 20 minutes.

Beat egg with rotary beater until thick and pale colored. Mix one-half cup sugar, shredded coconut, salt and milk. Stir into beaten egg and spread over partially baked apples.

Reduce oven heat to 375 degrees and bake 15 minutes longer or until lightly browned. Cool and cut into squares.

ROUTE 1, RUPERT

Mix in the order given—

- 1/2 cup sugar
- 1 cup flour
- 1 teaspoon soda
- 1/2 teaspoon salt
- 1 cup canned cherries, filled with juice
- 1 tablespoon butter or margarine
- 1 egg
- 1/2 cup nuts

Bake for 30 to 35 minutes in a 350 degree oven in an 8 by 8-inch pan.

Pour the following sauce over the pudding hot.

To one cup boiling water add—
1 tablespoon butter or margarine

3/4 cup brown sugar mixed with one tablespoon flour
1 teaspoon vanilla
Pinch of salt

This recipe is best served hot.

FLUFFY RICE

CREAM PUDDING
MRS. CHET BEHR
BOX 53, DECLO

- 1/2 cup uncooked rice
- 1/2 cup sugar
- 3 cups milk
- pinch of salt
- 1/4 cup butter or margarine
- 2 eggs, separated
- 1 teaspoon lemon extract

In top of double boiler combine rice and milk. Cook over hot water for 45 minutes or until rice is tender.

Add sugar, salt and butter. Beat egg yolks. Stir in a little of the hot mixture, then add to remaining hot mixture. Cook five minutes. Remove from heat.

Add lemon extract. Beat egg whites until stiff, but not dry, and fold into rice mixture.

Serve pudding warm or chilled as desired.

HERE ARE TWO OF CACTUS PETE'S FAMOUS
RECIPES FOR YOU TO TRY AT HOME . . .

PORK CHOPS WITH A-LA-FLAMANDE

Season the chops and fry them on both sides in butter or fat.

Peel and slice some eating apples allowing three ounces of the latter for each chop. Put them in an earthenware dish. Set the half fried chops upon them, sprinkle with fat and complete their cooking as well as that of the apple in the oven. Serve the dish as it stands.

SPRING CONSOMME WITH DUMPLINGS

SOUP: Have ready one quart of chicken consommé. One carrot and one turnip cut in round slices one half inch thick. Cut the round slices into little sticks.

Cook little sticks in consommé and reduce the latter to glaze. Add one table spoon of small peas to the same quantity of small string beans and asparagus tips, ten sorrel leaves and as many of lettuce leaves (the latter being poached in some consommé).

Make eighteen small quenelles of chicken. Force meat in the shape of little grooved meringue shells and poach them ten minutes before serving. Drain them and put into soup. Tureen with the other garnish, pour on the boiling consommé.

ELEGANT CHEESE CAKE

MRS. SANDRA PIROUZNIA
123 W. 21st. S., BURLEY

Make crust by combining one and one-half cups graham cracker crumbs, one-fourth cup powdered sugar, one teaspoon allspice and one-third cup melted butter. Spread in bottom of a nine-inch spring-form pan, pressing some up the sides to form a rim about one-half to three-fourths-inch high.

2 8-ounce packages cream cheese, room temperature
2 eggs, beaten slightly
2-3 cup sugar
2 teaspoons vanilla
Stir cheese until soft and creamy. Add eggs, sugar and vanilla. Beat until thoroughly creamed and smooth. Pour into crust. Bake in 350 degree oven for 25 minutes.

Top the mixture with the following—

1 1/4 cups sour cream
4 tablespoons sugar
2 teaspoons vanilla

Return to oven. Increase temperature to 450 degrees and bake for seven minutes. Cool, then chill.

This is very rich, so serve in small slices.

BATTER-WAY ROLLS MRS. EDITH BURDEN ROUTE 3, RUPERT

- 1 1/2 cups warm water
- 2 packages yeast
- 4 cups sifted flour
- 1 cup sugar
- 1 1/2 teaspoon salt
- 1 1/2 cup soft shortening

Pour the warm water into a large mixing bowl and add yeast. Let stand a few minutes, then stir to dissolve. Add half the flour, sugar, salt, soft shortening and egg. Start the mixer on medium speed (or beat by hand) and beat until smooth, one and one-half to two minutes. Stop mixer, add the rest of the flour and stir by hand until the flour disappears. It will take about one to one and one-fourth minutes. Scrape batter from sides of bowl.

Cover bowl with waxed paper and let rise in warm place until doubled—about 30 minutes.

Meanwhile grease one and one-half dozen large muffin cups. Stir batter in 20 to 25 strokes and spoon into muffin cups. Let rise 20 to 30 minutes. Bake 10 to 15 minutes or until well browned on sides and tops in 325-degree oven. Remove from pans and cool on racks.

SOUR CREAM REFRIGERATOR ROLLS ZONA BARR 2712 PARK AVE., BURLEY

- 1/2 cup water
- 1/2 cup softened butter or margarine
- 1 1/2 cup sugar
- 1 1/2 teaspoons salt
- 1/2 cup whole egg, unbeaten (1 large)
- 1 cup thick commercial sour cream
- 1 cake yeast or 1 package dry yeast

Beat with a large spoon, rotary beater or electric mixer until all ingredients are well blended and yeast is dissolved. Add half of five cups sifted flour. Beat to a smooth thick batter. Then add remaining flour and mix with spoon to a moderately stiff dough.

Cover bowl tightly with waxed paper and store in refrigerator for 24 hours before using. When ready to use, remove desired amount of dough and let stand on lightly floured board for 15 to 20 minutes at room temperature.

Shape into dinner rolls and place on lightly greased baking sheet. Brush rolls with melted butter and sprinkle top with poppy or sesame seeds.

Let rise in slightly warm place until light and double in bulk, about 45 to 50 minutes. Bake in 400 degree oven for 12 to 15 minutes.

GERMAN PANCAKES MRS. JACK SCHAB 709 D. ST., RUPERT

- 1 cup milk
 - 1 cup flour
 - 6 eggs
 - 1/4 teaspoon salt
 - 6 tablespoons butter
- With blender or mixer, combine milk, flour, eggs and salt. In a nine by 13-inch baking pan melt butter in hot oven until hot and sizzling.

Pour batter into hot pan and bake immediately at 450 degrees for 25 minutes. Serve with syrup or powdered sugar. Makes six or eight servings.

HOT CROSS BUNS MRS. HERB LOVE BOX 242, SHOSHONE

- 2 cakes fresh yeast or 2 packages granulated yeast.
- 1-3 cup sugar
- 2-3 cup milk, scalded
- 3 1/2 cups enriched flour
- 1/2 cup melted shortening
- 3 well-beaten eggs
- 1/2 teaspoon salt
- 1/2 teaspoon cinnamon
- 2-3 cup currants

Soften yeast and dissolve sugar in milk cooled to lukewarm. Add one cup flour and beat. Add shortening, eggs and remaining flour sifted with salt and cinnamon. Beat well. Stir in currants. Cover with damp cloth. Let rise until double, about one hour. Punch down.

Let rest 10 minutes (covered). Roll one-half inch thick and cut with two and one-half inch floured cutter. Shape in buns; place two inches apart on greased cookie sheet. Brush top with slightly beaten egg white. Then cover.

Let rise until double. If desired, use scissors to snip tops off buns at right angle to form cross. Bake 12 to 15 minutes at 350 degrees. To remaining egg white, add confectioner's sugar and half teaspoon of vanilla until of spreading consistency. Mark cross on buns.

SWEDISH RYE BREAD MRS. KATIE DANIEL 201 10th AVE. N., TWIN FALLS

One large yeast cake or two packages dry yeast. Crumble in one cup of lukewarm water and cover with one tablespoon sugar. Add one teaspoon soda to two cups buttermilk. Heat to lukewarm. Add four cups white rye flour. Mix well and let rise for about one hour.

Add one-half cup molasses, one-half cup melted margarine, one-half cup sugar, one teaspoon fennel and one teaspoon anise. Add white flour to knead, about five and one-half cups, or to right consistency.

Let rise for one and one-half hours. Form into loaves and let rise until double in size. Bake for 35 to 45 minutes. Makes four loaves.

GRAHAM BREAD CHERRILL TATE HAGERMAN

Scald two cups milk. Stir in two cups graham flour, six tablespoons shortening and three-fourths cup brown sugar. Let stand until cool. Add three tablespoons dry yeast which has been dissolved in one-half cup warm water. Add one beaten egg and one tablespoon salt. Add four cups sifted white flour and knead.

Let dough rise until doubled in bulk and shape into loaves. Let loaves rise until doubled in bulk and bake for one-half hour in 400 degree oven.

Makes two loaves.

POTATO BREAD DOROTHY E. BEITIA BOX 684, SHOSHONE

- 2 medium potatoes
- 2 teaspoons salt
- 1/2 cup granulated sugar
- 1/2 cup butter
- 1 cup potato water
- 1 cup scalded milk
- 1 package quick dry yeast
- 1/2 cup lukewarm water
- 1 teaspoon sugar
- 6 1/2 to 7 cups sifted all-purpose flour

Peel potatoes. Cover with two cups boiling water. Cook until well done. Drain and save water. Mash potatoes until completely free of lumps. Add salt, sugar and butter. Beat well. Add potato water and scalded milk. Cool to lukewarm.

While mixture is cooling, sprinkle yeast over lukewarm water in which the one teaspoon of sugar has been dissolved. Let stand until light. Stir and add to lukewarm milk potato mixture.

Add four cups flour, beat well. Add enough remaining flour to make a dough stiff enough to knead. Turn out on floured

board or canvas and knead until dough becomes elastic and does not stick to board.

Place in a greased bowl, brush top with melted shortening. Cover and let rise in warm place until doubled in bulk, about one and one-half hours.

Punch down, place on board and shape into loaves. Place in greased baking pans. Brush tops with melted shortening. Cover and let rise in warm place until doubled in bulk, about 45 minutes. Bake in a pre-heated oven, 375 degrees for one hour. Makes three loaves.

Can also be made into cinnamon rolls or three and one-half dozen rolls baked at 400 degrees for 20 minutes.

QUAKER HONEY ROLLS MRS. JOE JOHNSON ROUTE 3, BUHL

- 1 2-3 cups boiling water
- 1 1/2 cups quick rolled oats
- 1 cup shortening
- 1/2 cup honey
- 1/2 cup warm water
- 2 packages compressed yeast
- 1 teaspoon salt

ORANGE BREAD MRS. ALMA LIVELY 714 LINDEN, BUHL

- 1 cup sugar
- rind of 2 oranges, ground or cut fine
- 1 cup water

Mix and cook until the mixture spins a thread. Pour over two well beaten eggs. Stir in one cup sugar and beat well.

Add one cup milk, three cups flour, three teaspoons baking powder, one cup nuts and salt.

Pour into well greased loaf pan and bake in a moderate oven for one hour.

- 1 egg, beaten
- 6 1/2 cups flour

Dissolve yeast in one-half cup warm water and let stand for two minutes. Mix in a large bowl, boiling water, shortening, oats and honey. Mix well.

Add egg, yeast, salt and three cups flour. Mix well. Add the remaining flour or enough to make a stiff dough.

Proceed as with any other hot rolls.

Miscellaneous Items

SWEET SOUR KRAUT MRS. FRED PETERSON SR. JEROME

1 2½ size can sauerkraut
1 can whole tomatoes, No. 303
½ cup white sugar
1 onion, shredded, about the size of the kraut, equal to one cup
¾ pound bacon, chopped in small pieces
Fry onion and bacon together until a very light brown. Do not over fry. Fry just until onions are slightly soft. Add other ingredients and bake in a slow oven, for about three hours, stirring occasionally. Bake in an oblong glass casserole if possible.

DROP DOUGHNUTS MRS. ERVIN HAND ROUTE 2 EASTLAND DRIVE SOUTH, TWIN FALLS

1 egg
½ cup sugar
1 tablespoon melted butter
½ cup milk
¼ teaspoon salt
¼ teaspoon nutmeg
¼ teaspoon cinnamon
2 teaspoons baking powder
1½ cups flour
Sift flour and baking powder. Add remaining dry ingredients. Mix in egg, butter and milk. Drop by teaspoonfuls in hot fat. Cook four at a time. When golden brown, lift from fat with fork. Drain on absorbent paper toweling.
When slightly cooled, shake in paper bag with powdered or granulated sugar.
Cooking temperature should be about 360 degrees.

GRAPE JUICE

MRS. DON KIRKMAN
118 POLK ST., TWIN FALLS
Clean grapes from the stem and wash. Add enough water to cover. For each gallon of grapes, add 20 kleenex that have been shredded not too finely.

Bring to a boil and simmer for 15 to 20 minutes. Strain. Reheat and seal in jars or make jelly.

(Note: Mrs. Kirkman states that the kleenex works like magic when it comes to the finished product. There is a certain quality about kleenex that keeps the juice and jelly free from sugar crystals. The juice is crystal clean to the bottom of the bottle. This recipe must be tried to be believed.)

ORANGE POTATOES MRS. KENNETH KING ROUTE 2, PAUL

4 or 5 medium-sized potatoes
2 or 3 medium-sized carrots
2 cups water
1 or two teaspoons salt
milk
butter and paprika, optional
Pare or scrape potatoes and carrots. Cut in pieces and boil gently in salted water until tender. Drain off liquid and save.
Mash vegetables and add liquid. Add enough milk to desired degree of fluffiness. Dot with butter and sprinkle lightly with paprika.

ORANGE SHERBET GLENDA LATIMER ROUTE 1, TWIN FALLS

Dissolve two envelopes D-Serta (low calorie) orange gelatin in one cup hot water.
Add one and one-half cups low calorie orange beverage. Partially freeze. Beat two tablespoons ice water, one tablespoon lemon juice and two tablespoons non fat dry milk to stiff peaks. Beat frozen mixture until creamy. Fold in whipped milk.
Freeze until partially frozen, stirring twice. Makes six servings, about 20 calories each.

RAISIN SAUCE

MRS. HARVEY E. WOOD
ROUTE 2 BOX 99, GOODING
8 ginger snaps
¼ cup raisins, seedless
¼ cup brown sugar
1 lemon thinly sliced
1 cup hot water
¼ cup cider vinegar
Mix all ingredients together, and bring to a boil. Simmer 15 minutes or until slices are transparent. Stir frequently. Serve hot. Makes approximately one cup.
If sauce seems too thick, add a little more hot water.

PEAR MARMALADE JOAN MEULEMAN JEROME

Peel and cut fine two and one-half dozen pears. Add one large can pineapple, cut fine. Add juice and rind of two oranges. Use for every cup of fruit, two-thirds cup sugar. Mix together and let stand overnight. Cook until as thick as you want it and add one bottle maraschino cherries. Chop cherries and add juice.
Seal.

BUTTERED TOMATO SOUP WITH HERBS

MRS. LLOYD C. MOLINE
BOX 331, GOODING
For a welcome luncheon dish, combine two cans condensed tomato soup with two soup cans water or milk in a sauce pan. Add one-fourth teaspoon basil. Heat thoroughly, but do not boil. Pour into cups or mugs. Top with pats of butter and a generous sprinkling of chives.
This recipe makes four to six servings.

Offer a grilled cheese sandwich to complete the meal.

ORANGE TEA DOUGHNUTS MYRTLE SHRIVER 241 FIRST AVE. W. JEROME

2 cups sifted flour
3 teaspoons baking powder
¾ teaspoon salt
1-3 cup sugar
2 eggs, beaten
½ cup milk
Grate rind of one orange.
Sift flour, baking powder, salt and sugar together. Beat eggs and add milk and orange. Add dry ingredients.
Drop by spoonful into hot oil. Fry until golden brown.

BORDEAUX SAUCE MRS. CORRENNE CALDWELL ROUTE 1, HAGERMAN

2 quarts chopped green tomatoes
6 large onions, chopped
5 chopped red peppers
4 quarts chopped cabbage
2 pounds sugar
2 ounces celery seed
2 ounces mustard seed
1 teaspoon turmeric
4 tablespoons salt
2½ quarts cider vinegar
Stir all ingredients together and cook one hour, seal while hot.

HARVARD BEETS

MRS. A. M. SWAINSTON
ROUTE 4, BOX 205, JEROME
3 cups diced cooked beets
3 tablespoons cornstarch

MRS. NORA MOORE

ONE HUNDRED YEAR OLD CATSUP

NORA M. MOORE
1227 SEVENTH AVE. E.,
TWIN FALLS

Cut and core tomatoes, but do not peel. Cook well and put in a stone jar or enamel pan. Let stand until white spots begin to form on the top. This takes two or three days.

Skim this off and let tomatoes drain overnight in a sack. Rub through a sieve. Measure eight cups of pulp and add one and one-half cups sugar, two cups vinegar, two tablespoons salt, two large onions chopped fine and two tablespoons mixed spiced tied in a bag.

Cook about 30 minutes or until thick as desired. Stir frequently. Seal while hot.

RHUBARB JAM

MRS. HOWARD G.
ARRINGTON

ROUTE 2, TWIN FALLS

5 cups inch long rhubarb pieces
¼ cup water
3 cups sugar
1 package gelatin dessert
Combine rhubarb, sugar and water. Stir well to partially dissolve sugar, then place over medium heat and stir until mixture comes to a full boil. Remove from heat and place tight lid on pan and let stand for five minutes to cook rhubarb without mashing it.

Stir in one package gelatin dessert, strawberry, orange or raspberry. Stir well to dissolve gelatin, then put into sterilized jars and seal.

This makes about five cups of jam. This is a good recipe made up and kept in refrigerator until eaten. It is sometimes slow to set up.

QUICK HOME MADE ICE CREAM

MRS. MARY HOOBLER
557 MADISON ST.
TWIN FALLS

1 box pudding and pie mix, desired flavor
2 eggs
Cook as directed on box until it begins to thicken. In a large bowl beat together the following ingredients—

6 eggs
1 cup sugar
1 teaspoon vanilla or preferred flavor
1 quart half and half or cream.

To this add cooked pudding and beat until well mixed. Pour into freezer. Add enough milk to fill mark.

Makes one gallon ice cream.

CARROT BALLS

MRS. POLLY RICHARDSON
823 E. 15th, ODESSA, TEXAS

2 cups carrots, cooked and sieved
1½ cups bread crumbs
1 cup sharp cheddar cheese, shredded
1 egg white
¼ teaspoon pepper
¼ teaspoon salt
¼ teaspoon tabasco sauce
Corn flakes

Combine carrots, bread crumbs and cheese. Fold in stiffly beaten egg white. Add seasonings.

Form into 10 balls and roll in finely crushed corn flakes. Place on greased baking sheet or in shallow bisquit pan.

Bake in 375 degree oven for 30 minutes or until brown.

ITALIAN CHRISTMAS BREAD MRS. ESTHER KNOPP ROUTE 1, HEYBURN

1 package dry yeast
1 1/2 cup very warm water
2 tablespoons soft shortening
2 teaspoons salt
2 tablespoons sugar
1/2 teaspoon vanilla
3 cups flour
1/2 cup raisins
1/2 cup candied fruit, cut up
1/2 cup chopped nuts
1/2 teaspoon anise

Dissolve yeast in very warm water in large bowl. Add shortening, salt, sugar and half the flour. Beat two minutes with mixture. Add the rest of the flour and fruit and beat until smooth.

Cover and let rise in a warm place until double in bulk, about 30 minutes. Stir the batter down by beating about 25 strokes. Spread batter in large bread pan or two one-pound coffee cans (greased.)

Let rise until batter reaches three-fourths inch from top. Bake about 40 minutes at 350 degrees. Cool and frost with buttery confectioners sugar icing and decorate with candied fruits.

APPLESAUCE NUT BREAD EDITH M. JOHNSON 279 MONROE ST., TWIN FALLS

3 cups flour
3/4 cup sugar
2 teaspoons baking powder
1 teaspoon salt
1/2 teaspoon soda
1/2 teaspoon cinnamon
1 cup chopped nuts
1 egg, beaten
1 cup unsweetened applesauce
2 tablespoons shortening

Place all dry ingredients in sifter and sift into a bowl. Add egg, applesauce and melted shortening and stir until just blended. Add nut meats.

Bake in a greased loaf pan for one hour at 350 degrees.

GERMAN PANCAKES BUD ROUNTREE ROUTE 2, TWIN FALLS

Into a bowl with a pouring spout measure one-third cup flour, one-fourth cup milk, one egg and a pinch of salt. Beat well by hand and pour in a circular motion into a medium sized skillet that has been heated-hot and has the bottom covered with a thin layer of cooking oil.

Brown on first side, then turn. This will make one large pancake the size of a dinner plate. Repeat process for more.

Eat with pancake buttered and sprinkled with powdered sugar.

NO KNEADING BREAD ROLLS MRS. RONALD HASKIN ROUTE 2, BOX 187, JEROME

1 cake yeast
1/2 cup lukewarm water
1/2 cup shortening
1 1/2 teaspoon salt
2 tablespoons sugar
1 cup boiling water
1 egg
3 1/2 cups flour

Dissolve yeast cake in lukewarm water. Place shortening, salt and sugar in separate bowl. Add boiling water, stir until ingredients are dissolved. When lukewarm add yeast. Add beaten egg. Stir in flour to make soft dough. Begin with three cups flour, add as much more as necessary for soft dough.

Place dough in a large greased muffin tins one-third full. Chill dough two to 24 hours. Pinch off dough, place in greased muffin tins one-third full. Brush top with melted butter. Rolls will rise in two hours in warm place. Bake in 425 degree oven for 20 minutes.

OATMEAL RAISIN NUT BREAD

MRS. EVA L. WARNER,
BOX 275, HEYBURN

2 packages yeast
1/2 cup lukewarm water
1 1/4 cups scalded milk
1-3 cup shortening
1/2 cup honey
2 cups quick cooking rolled oats
1 cup chopped nuts
3/4 to 4 cups flour
3 teaspoon salt
1/2 teaspoon cinnamon
1/2 teaspoon allspice
1 egg, beaten
1/2 teaspoon nutmeg
1 cup raisins

Soften yeast in warm water. Pour scalded milk over shortening, honey and salt. Stir until shortening melts. Add oatmeal and cool to lukewarm. Add one cup flour and spices sifted together.

Stir in egg and softened yeast. Add enough more flour to make a soft dough. Knead five minutes, then work chopped nuts and raisins into dough. Place in greased bowl and let rise until doubled in bulk—about one hour.

Punch down, cover and let rise 10 minutes. Form into loaves and let rise until double, about 45 minutes. Bake at 375 degrees for 10 minutes, reduce heat to 325 degrees and continue baking for 35 minutes. Remove from oven and pans and grease lightly.

CHOCOLATE P-NUT CLUSTERS

JANET DOBBS
2144 CRESTWOOD DRIVE
TWIN FALLS

Mix the following ingredients in a 1½-quart pan.
1 package chocolate pudding, not instant
1 cup sugar
½ cup evaporated milk
one tablespoon butter

Cook and stir to a full boil. Lower heat and keep stirring while mixture boils slowly for three minutes. Take off heat.

Stir in all at once, one cup small salted peanuts. Beat vigorously until candy starts to thicken.

Drop from teaspoon onto waxed paper to form clusters. Do not over beat.

Makes about 30.
For a variation use butter-scotch pudding and pecans.

CARROT FUDGE

JANET DOBBS
2144 CRESTWOOD DRIVE,
TWIN FALLS

1½ cups grated carrots
½ teaspoon lemon flavoring
¾ cups granulated sugar
½ cup sweetened condensed milk
½ cup water

Cook carrots, sugar and milk to 234 to 238 degrees. Remove from heat. Add flavoring and cool to room temperature.

Beat until creamy. Pour into buttered pan, pat down to one inch depth. When firm, cut into squares.

The grain of the candy will be coarse due to the grated carrots, but the candy is delicious.

*Check these wonderful advantages of
NATURAL GAS cooking*

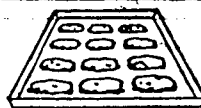

INSTANT HEAT

No warmup time is required with natural gas. Turn the control knob and you have instant heat in a flame you can see with an infinite number of cooking temperatures, not just 5 or 6.

SMOKELESS BROILING

Women are in love with this exclusive feature. You broil with the oven door closed! The flame consumes the smoke.

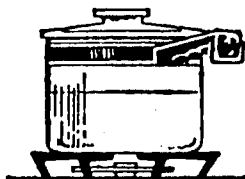

EVEN BAKING

Natural gas ovens provide the most even heat attainable. Cookies, cakes and pies bake to a uniform, golden color and texture.

BURNER WITH A BRAIN

Every pan becomes an automatic pan on this burner. It maintains the precise temperature you select. No more burned foods or boilovers!

NO "HANGOVER" HEAT

Turn off the flame and the burner on a gas range cools down immediately. This is "cool cooking" at its greatest.

RHUBARB SHORT CAKE

MRS. EDITH JOHNSON
279 MONROE ST.,
TWIN FALLS

1 1/2 cups finely cut fresh rhubarb
1/4 cup shortening
1 egg
1/2 cups sifted flour
1 teaspoon soda
1/2 cup sugar
1/2 cup milk
1/2 teaspoon salt
1/2 teaspoon baking powder
1/2 cup chopped nuts
Let rhubarb stand for five minutes in hot water. Drain. Cream shortening, sugar and eggs. Sift dry ingredients and add alternately with milk. Fold in rhubarb and nuts. Bake in eight by eight-inch greased pan at 350 degrees about 40 minutes.

Serve warm with following sauce: Cover one and one-half cups rhubarb with water and bring to a boil. Drain. Add one-half cup sugar, one tablespoon flour, cook until thick, stirring constantly. Add one-half tablespoon butter and serve warm on short cake.

GOLDEN ANGEL CAKE

MRS. SILAS DAYLEY
BOX 133, HANSEN

6 egg yolks
6 egg whites
1 1/2 cups sugar
1/2 cup cold water
1 1/2 cups cake flour
1/4 teaspoon salt
1 teaspoon vanilla
1/2 teaspoon cream of tartar
Beat egg yolks two minutes, then add cold water and beat two more minutes. Add sugar gradually, sift flour, measure and sift again with salt. Gradually add to egg yolk mixture and beat about five minutes. Add vanilla.
Beat egg whites until foamy, sprinkle cream of tartar over surface and continue beating four minutes longer. Fold into cake mixture. Bake in nine-inch tube pan for one hour at 325 degrees.
Invert to cool.

THREE HOLE CAKE

MRS. R. L. BOTTOMS
BOX 243, HAZELTON

1 cup sugar
1 1/2 cups flour
2 tablespoons cocoa
6 tablespoons cooking oil
1 1/2 cups cold water
1 teaspoon vanilla
1 teaspoon soda
1/4 teaspoon salt
1 tablespoon vinegar
Mix ingredients in ungreased pan. Make three indentations. In one put vinegar, in another put the cooking oil and in the third put vanilla. Mix.
Pour water over top and mix well with fork. Bake for 30 minutes at 350 degrees. (Batter may seem too thin but it is not.) Melted shortening may be substituted for oil and the cocoa may be omitted for a white cake. Really delicious.

1 egg slightly beaten
1/2 cup milk
2 tablespoons melted shortening
2 teaspoons grated orange rind
Sift together flour, sugar, baking powder and nutmeg. Combine egg and milk and blend thoroughly. Gradually add to dry mixture, stirring constantly.
Add shortening and orange rind, beat until smooth and well blended. Drop dough from teaspoon which has been dipped in fat to prevent dough from sticking to spoon. Fry in deep fat. Glaze with Honey Glaze and roll in coconut.

HONEY GLAZE

1/2 cup honey
4 teaspoons boiling water
1 cup sifted boiling water
1 cup coconut

STUFFED PEPPERS

MRS. DORA STAPELMAN
1008 SECOND ST., RUPERT

3/4 pound ground round
6 large green peppers
1/2 cup grated onions
3 tablespoons uncooked rice
1 teaspoon salt
1/2 teaspoon black pepper
1 egg, beaten
SAUCE
2 tablespoons water
2 tablespoons corn oil
1 cup chopped onions
1 29-ounce can tomatoes
1 teaspoon salt
2 tablespoons lemon juice
2 tablespoons sugar.
Grind the meat and wash the peppers. Cut out the stem ends of the peppers and reserve, scoop out the seeds and fibers. Mix the meat, grated onions, rice, one teaspoon salt, one-fourth teaspoon pepper, egg and water. Stuff the peppers and replace the tops.
Heat the oil in a heavy saucepan. Sauté the chopped onions for 10 minutes. Mix tomatoes and then the salt and pepper. Arrange the peppers in an upright position.
Cover and cook over low heat for 45 minutes. Add lemon juice and sugar and cook for 30 minutes longer or until peppers are tender. Taste frequently. Baste frequently.

CONFETTI RELISH

MRS. PAUL F. TAYLOR
ROUTE 1, RUPERT

2 medium heads of cabbage
8 carrots
9 onions
9 green peppers, large
9 red peppers, large
1/2 cup salt
6 cups vinegar
4 cups sugar
2 tablespoons mustard seed
2 tablespoons celery seed
1/4 teaspoon red pepper
Grind vegetables together through fine blade of food chopper.
Soak three hours in the one-half cup salt, mixing well.
Add rest of ingredients and stir well. Bring to a boil and seal in hot sterilized jars.

EGG DRESSING FOR VEGETABLES

ELNOR NELL WOOD
743 DELMAR DRIVE,
TWIN FALLS

Combine the following ingredients and cook in a double boiler until thickened.
1/4 teaspoon dry mustard
1/4 teaspoon salt
1/4 teaspoon sugar
1/4 teaspoon paprika
1 egg, beaten
1/4 cup mild vinegar or lemon juice
2 tablespoons olive oil
Add—
1 tablespoon melted butter
1/4 teaspoon curry powder
1/2 teaspoon grated onion

MOTHERS DOUGHNUTS

MRS. LAURA E. CASADAY
912 MONTANA ST.,
GOODING

2 cups biscuit mix
1/4 cup sugar
1-3 cup milk
1 teaspoon vanilla
1/4 teaspoon cinnamon and nutmeg, if desired
1 egg
Fill heavy kettle or deep fryer with fat or oil to depth of three inches. Heat fat to 375 degrees, temperature of which a small bread cube browns in 50 seconds.
Mix ingredients until well blended. Turn dough onto a lightly floured board and cut with doughnut cutter. Drop into hot fat. Fry until goldenbrown on both sides, about one minute for each side.
Remove from fat and drain on paper. Shake one at a time in small paper bag containing sugar, and if desired, a dash of cinnamon.
Makes 12 doughnuts.

MEAT DUMPLING SOUP

MRS. ARDIE SALLIE
BOX 88, HANSEN

1 medium sized soup bone
1 cup chopped celery
1 cup chopped carrots
1-3 cup chopped parsley
1/2 cup chopped onion
1 cup cooked tomatoes
1 tablespoon uncooked rice or barley
1 teaspoon salt
Simmer altogether in four quarts of water for two and one-half hours. Remove soup bone and add meat dumplings.
MEAT DUMPLINGS
1/2 pound ground beef
1/2 pound ground pork
1 egg
1 cup dry bread crumbs
1-3 teaspoon sage
1/2 teaspoon salt
1/4 teaspoon pepper
Mix well and shape into dumplings. Drop in boiling soup. Cover and cook slowly for one hour.

STRAWBERRY JAM

MRS. FRANK L. WALKER
324 W. THIRD AVE., JEROME

2 quarts strawberries, stemmed and washed
Pour boiling water over berries in a colander and drain.
Add four cups sugar to berries in a pan and boil for two minutes at a rolling boil. Set off stove until the boiling goes down.
Add two cups sugar and boil at a rolling boil for five minutes.
Pour into a shallow pan and stir occasionally until cold. Pour into sterilized jars and cover with paraffin and lid.
